**MEMORANDUM OF UNDERSTANDING
BETWEEN ALAMEDA HEALTH SYSTEM
AND
UNION OF AMERICAN PHYSICIANS AND DENTISTS
UNIT 18, UNIT 24**

This MEMORANDUM OF UNDERSTANDING is entered into by Alameda Health Services, hereinafter named as "AHS," and the Union of American Physicians and Dentists hereinafter named as "Union," as a recommendation to the Board of Trustees of Alameda Health System of those conditions of employment to be in effect during the period of **June 28th, 2017** through **June 30th, 2021** for those employees working in the representation units referred to and further described in Section 1 of this Memorandum.

SECTION 1. RECOGNITION

- A.** AHS recognizes the Union as the exclusive bargaining representative for the classifications listed in Appendix A and in the following bargaining units:
1. All **full-time** employees in classifications included in Bargaining Unit XVIII, as specifically enumerated in the appendix attached hereto;
 2. All **part-time** employees in classifications included in Bargaining Units XVIII, as referenced above, who are regularly scheduled to work two-fifths or more time per pay period provided that after September 16, 2001, new employees who are regularly scheduled to work less than two-fifths per pay period shall be covered by this MOU; and,
 3. All **services-as-needed** employees in classifications included in Bargaining Unit XXIV, as specifically enumerated in the appendix attached hereto, who are regularly scheduled to work two-fifths time or more per pay period provided that after September 16, 2001, new employees who are regularly scheduled to work less than two-fifths per pay period shall be covered by this MOU.
- B. EXCLUSION OF EMPLOYEES.** The recognition provisions set forth in this Section shall not apply to persons occupying positions designated as management, supervisory or confidential.

SECTION 2. NO DISCRIMINATION

- A. DISCRIMINATION PROHIBITED.** No employee or applicant for employment shall be discriminated against by AHS or the Union on any basis prohibited by federal, state or local law.
- B. NO DISCRIMINATION BECAUSE OF UNION ACTIVITY.** Consistent with the law, neither AHS nor the Union shall interfere with, intimidate, restrain, coerce, or discriminate against employees covered by this agreement because of the exercise of rights to engage or to not engage in Union activity.
- C. GRIEVABILITY.** Claims of discrimination in violation of this section shall be grievable under Section 45.

SECTION 3. AHS DEPARTMENT HEAD

“Department Head,” as used herein, shall mean the Chief Executive Officer, or the designee of the Chief Executive Officer.

SECTION 4. UNION SECURITY

- A. Notice. AHS shall give a written notice to persons newly employed in representation unit classifications which notice shall contain the name and address of the employee organization recognized for such unit and the fact that the Union is the exclusive bargaining representative for the employees’ unit and classification.
- B. New Employee Orientation. The Union shall be provided with an opportunity to address its members at the conclusion of the New Employee Orientation. AHS will provide the Union with dates and times of all New Employee Orientations.
- C. Union Dues and Payroll Deductions.
 - 1. AHS shall deduct premiums for approved insurance programs from employees’ pay in conformity with applicable federal, state, and AHS regulations.
 - 2. UAPD and AHS shall abide by Federal and State laws in the collection of union dues, fees, or charitable contributions.
 - 3. UAPD shall establish and certify to AHS in writing the monthly amount it requires for union members’ dues and initiation fees. AHS agrees to deduct from the pay of represented employees the amount of dues UAPD has certified in writing.
 - 4. Dues deduction shall be effective no later than the pay period following AHS’s receipt of legally permissible authorization.
 - 5. AHS shall remit to UAPD, through electronic funds transfer (EFT), no later than 30 (thirty) calendar days after the deductions from the employees’ earning occurs, the amount representing the dues deduction made.
 - 6. Simultaneous with each remittance, AHS shall provide a report to AHS containing the following information: AHS unit members for whom dues deductions were made and the amounts withheld.
 - 7. AHS shall process a legally permissible cessation of dues deductions no later than the pay period following AHS’s receipt of written notice.
 - 8. The employee’s earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues or service fees check-off authorized. When an employee is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legal and required deductions (including health care deductions) have priority over union dues and service fees.

- D. Indemnification. The Unions shall indemnify and hold AHS, its officers and employees, harmless from any and all claims, demands, suits, or any other action arising from the dues deduction provisions herein. In no event shall AHS be required to pay from its own funds, Union dues, service fees or charitable contributions, which the employee was obligated to pay, but failed to pay, regardless of the reasons.
- E. Employee Data. Beginning no later than February 1, 2019 and on a weekly basis thereafter, AHS shall provide UAPD with an electronic list of: Full Name, Employee ID, Bargaining Unit, Job Title, Status, Department, Work Location, Work and Personal Email Address (to the extent known), Home Address, Home Phone Number, Date of Hire, Seniority Date, FTE, Rate of Pay, and Pay Step.

SECTION 5. UNION RIGHTS

- A. **BULLETIN BOARDS.** Reasonable space shall be allowed on bulletin boards as specified by Department Heads for use by employees and Union to communicate with departmental employees. Material shall be posted upon the bulletin board space as designated, and not upon walls, doors, file cabinets or any other place. Posted material shall not be obscene, defamatory, or of a partisan political nature, nor shall it pertain to public issues which do not involve AHS or its relations with AHS employees. All posted material shall bear the identity of the sponsor, shall be neatly displayed, and shall be removed when no longer timely.
- B. **USE OF AHS FACILITIES.** AHS facilities may be made available upon timely application for use by off-duty employees and the Union. Application for such use shall be made to the management person under whose control the facility is placed.
- C. **JOB CONTACTS.** Any authorized representative of the Union shall have the right to contact individual employees working within the representation unit represented by his/her organization in AHS facilities during business hours on matters within the scope of representation providing prior arrangements have been made for each such contact with the Department Head who shall grant permission for such contact, if, in his/her judgment, it will not disrupt the business of the work unit involved. When contact in the work location is precluded by confidentiality of records, or of work situation, health and safety of employees or the public, or by disturbance to others, the Department Head shall make other arrangements for a contact location removed from the work area during the same work day or the following work day.
- D. **MEETINGS.** Meetings of a representative of a recognized employee organization and a group of covered employees shall not be permitted during working hours, except as provided in Section 45. hereof. The Department Head may, upon timely application, allow meetings of a representative of a recognized employee organization and a group of employees during the lunch period in AHS facilities and at convenient dates. No contacts shall be permitted during working hours with employees regarding membership, collection of monies, election of officers, or other similar internal employee organization business.
- E. **DEPARTMENTAL MEETINGS.** Unless otherwise agreed, Union representatives shall not be permitted to attend meetings or conferences called by departmental personnel to attend to matters arising out of the normal course of departmental activities.

As used herein, department meetings shall not include meetings between management and affected employees on matters mutually acknowledged to be submitted under Section 45, Grievance Procedure.

- F. **ACCESS TO EMPLOYEE PERSONNEL FILE.** An employee shall be permitted to review his/her own personnel file. Union representatives shall be permitted to review employee records when accompanied by the employee or upon presentation of a written authorization signed by that employee. The employee or the Union representative when accompanied by the employee or upon presentation of a written authorization signed by the employee may request a copy of the employee's personnel file. AHS shall provide one copy of the record

without charge. AHS may verify any written authorization. The Union's access to employee file shall be for good cause only. Third party reference material shall not be made available.

- G. **DATA TO UNION.** AHS shall, pursuant to AB119, upon request, supply the Union with data processing runs of new and existing names, home and office addresses and classifications of all employees in represented units. Such service shall be supplied at no more than cost to AHS.

SECTION 6. SHOP STEWARDS

- A. **PURPOSE.** AHS recognizes the need and affirms the right of the Union to designate shop stewards from among employees in the unit. It is agreed that the Union in appointing such shop stewards does so for the purpose of promoting an effective relationship between supervisors and employees by helping to settle problems at the lowest level of supervision.

- B. **ROLE OF STEWARD AND SUPERVISOR.** The shop steward recognizes the fact that the supervisor is the key person in the department and, as such, is responsible to higher management for the quality and quantity of work. Just as the supervisor is the key person for management, the shop steward is the key person for the Union. They must promote and maintain good morale and friendly relations and must be willing to meet in good faith to settle grievances as they arise, exercising a positive approach. There must be mutual respect on both sides in these relations. The shop steward understands that his/her stewardship function does not relieve him/her from conforming to all rules of conduct and standards of performance established by law, regulation, AHS or department policy or Memorandum of Understanding.

- C. **SELECTION OF STEWARDS.** The Union shall reserve the right to designate the method of selection of shop stewards. The Union shall notify the Department Head in writing of the names of the stewards and the units they represent. If a change in stewards is made, the Department Head shall be advised in writing of the steward being replaced and the steward named to take his/her place. The number of stewards shall be mutually agreed upon and a list of stewards shall be submitted to each department concerned.

- D. **DUTIES AND RESPONSIBILITIES OF STEWARDS.** The following functions are understood to constitute the complete duties and responsibilities of shop stewards.

1. After obtaining supervisory permission, shop stewards will be permitted to leave their normal work area during on-duty time not to exceed four hours per week in order to assist in investigation of facts and assist in presentation of a grievance.
2. To obtain permission to investigate a grievance on on-duty time, the steward shall advise the supervisor of the nature of his/her investigation of the facts and the general nature of the grievance. The shop steward is permitted to discuss the problem with all employees immediately concerned, and, if appropriate, to attempt to achieve settlement with the supervisory personnel involved. Agencies, wards, clients, detainees and outside interested parties will not be contacted by stewards as part of the grievance process. The employee may be represented by a steward at such times as a grievance is reduced to writing.

If, in the judgment of the supervisor, because of the necessity of maintaining adequate level of service, permission cannot be granted immediately to the shop steward in order to present or investigate a grievance during on-duty time, such permission shall be granted by the supervisor within five (5) days from the date the shop steward was denied permission.

- E. **CHANGES IN STEWARDS OR NUMBER OF STEWARDS.** If management reassigns a shop steward, which will leave his/her present shift or work location without a steward, the Union shall have the right to appoint a

replacement. Should the Union wish to change stewards during the grievance procedure, it may do so provided that only one steward will be allowed time off from work upon one occasion to investigate the grievance.

- F. CONDUCT OF MEETINGS.** Any meeting of shop stewards and supervisors will be held in a quiet, dignified manner. Management personnel will agree to recognize and work with Union stewards in a conscientious effort to settle problems at the earliest possible step of the grievance procedure.
- G. LIMITATIONS OF TIME OFF.** Stewards shall not be permitted time off from their work assignment for the purpose of conducting general Union business.

SECTION 7. MANAGEMENT RIGHTS

- A. All management rights and functions, except those which are expressly abridged by this Agreement, shall remain vested with AHS.
- B. The rights of AHS shall include, but not be limited to, the right to determine the mission of its departments, commissions and boards; to set standards of service, to maintain the efficiency of AHS operations; to determine the procedures and standards of selection for employment and promotion, layoff, assignment, scheduling and training; to determine the methods, means and personnel by which AHS operations are to be conducted; to take all necessary action to carry out its mission in emergencies; and to exercise complete control and discretion over its organization and technology of performing its work. The System has the right to make reasonable rules and regulations pertaining to employees consistent with this Agreement.
- C. This Agreement is not intended to, nor may be construed to, contravene any federal or state law including, but not limited to, the Meyers-Milias-Brown Act.

SECTION 8. LEAVES OF ABSENCE

- A. LEAVE MAY NOT EXCEED NINE MONTHS.** A leave of absence without pay may be granted by the Department Head upon the request of the employee seeking such leave, but shall not be longer than nine months, except as hereinafter provided.
- B. NO LEAVE TO ACCEPT OUTSIDE EMPLOYMENT.** A leave of absence without pay may not be granted to a person accepting either private or public employment outside the service of AHS, except as hereinafter provided.
- C. MILITARY LEAVE.** Every employee shall be entitled to military leaves of absence as specified by law. The employee must present to his/her supervisor a copy of his/her military orders, which specify the dates, and duration of such leave.

If such employee shall have been continuously employed by AHS for at least one year prior to the date such absence begins, he/she shall be entitled to receive paid military leave as follows:

1. Paid military leave, which may be granted during a fiscal year, is limited to an aggregate of 30 calendar days during ordered military leave, including weekend days and travel time.
2. During the period specified in 8.C.1. above, the employee shall be entitled to receive pay only for those days or fractions of days, which the employee would have been scheduled to work and would have worked, but for the military leave.

3. The rate of pay shall be the same rate the employee would have received for shifts he/she would have been scheduled to work or scheduled for paid holiday leave, had he/she not been on military leave.
4. In no event shall an employee be paid for time he/she would not have been scheduled to work during said military leave.

Consistent with the law, an employee's seniority shall continue to accrue during periods spent on military leave.

D. LEAVE FOR ASSIGNMENT TO SPECIAL PROJECT. An AHS employee, who is assigned to a special project, including temporary appointments to another governmental agency or institution, may be granted a leave of absence without pay by the Department Head for the duration of said employee's assignment to the special project.

E. PERSONAL DISABILITY LEAVE. After six months from date of employment, an employee shall be entitled to leaves of absence without pay for not more than two periods aggregating to no more than 90 calendar days within a 12-month period upon presentation of acceptable proof of his/her personal disability. Before such leave, the employee must have used all accrued vacation, paid sick leave or compensating time off, unless the employee is receiving accrued vacation, paid sick leave or compensating time off as a supplement to disability insurance benefits under Section 27 of this Memorandum, in which event, the employee shall be entitled to personal disability leave. But the employee's entitlement to personal disability leave shall be reduced by the hourly equivalent of the disability insurance payment (hours of personal disability deducted per pay period equals two times the employee's weekly disability insurance entitlement divided by the employee's normal hourly rate) provided, however, that an employee who has exhausted paid leave balances and is receiving disability insurance only shall have personal disability leave deducted on a day-for-day basis. Such leave may be extended by mutual agreement of the employee and the Department Head.

The Department Head may require acceptable proof of the employee's ability to return to work provided that the Department Head shall notify the employee in writing of such requirement in advance. If the submitted proof is deemed unacceptable, the Department Head shall immediately notify the employee in writing of existing deficiencies in the submitted proof.

F. MATERNITY LEAVE. A pregnant employee is entitled to a maternity leave of up to six months, the dates of which are to be mutually agreed by the employee and Department Head, provided that the employee is required to take maternity leave two weeks prior to the estimated date of delivery and continuing for two weeks following the actual delivery, unless the employee's physician submits written approval, satisfactory to the Department Head, for the employee to work during such period. Such an employee may elect to take accrued vacation or compensating time off or sick leave during the period of maternity leave, except that in the case of an employee who is regularly scheduled to work less than the normal full-time workweek for the classification, paid leave shall be granted only for those days, or fractions thereof, on which such an employee would have been regularly scheduled to work and would have worked but for the maternity leave. The employee shall be entitled to sick leave with pay accumulated pursuant to Section 11. B of this Memorandum of Understanding.

G. PATERNITY AND ADOPTIVE LEAVE. A prospective father or adoptive parent is entitled to paternity or adoptive leave of up to six consecutive months, the dates of which are to be mutually agreed by the employee and the Department Head. Such an employee may elect to take accrued vacation or compensating time off during the period of paternity/adoptive leave except that in the case of an employee who is regularly scheduled to work less than the normal full-time workweek for the classification, paid leave shall be granted only for those days, or fractions thereof, on which such an employee would have worked but for paternity/adoptive leave. The use of sick leave during paternity/adoptive leave shall be permitted to fathers or adoptive parents provided in Section 11.

- H. LEAVE FOR EMPLOYMENT WITH THE UNION.** Upon written certification from the Union and the agreement of the Department Head, one employee at any one time who is subject to this Memorandum of Understanding shall be granted a leave of absence without pay for a period of up to six months in a 12-month period to work for UAPD. At the end of such leave the employee shall be returned to his/her same classification and Department.
- I. RETURN TO DUTY.** Except as otherwise required by law, an employee who returns to duty in compliance with an authorized leave of absence not exceeding ninety (90) days shall be returned to the position he/she occupied at the time he/she went out on the leave, provided the position still exists. If the employee returns beyond the ninety (90) day period, AHS shall make its best effort to return the employee to the same geographical location, shift and, where there is a specialization within a classification, to the same specialization. Questions as to whether or not AHS has used best efforts shall not be grievable.
- J. LEAVE OF ABSENCE FOR MEDICAL REASONS**
1. SAN Employees provided sick time in accordance with California State law and applicable AHS leave policies. Under current California law, such employees are entitled to three (3) days of sick leave per year.
 2. As a condition of granting a leave of absence in excess of three (3) working days, AHS may require medical evidence that the employee is unable to work.
- K. PAID FAMILY LEAVE.** Effective July 1st, 2004, employees are entitled to take Paid Family Leave pursuant to State law. Paid Family Leave runs concurrent with Family Medical Leave and California Family Rights Leave. Eligible employees must utilize one (1) week of available paid vacation leave prior to utilizing Paid Family Leave. Paid Family Leave benefits shall be integrated with all other paid leaves provided by the Memorandum of Understanding.

SECTION 9. HOLIDAYS

Subsections A-H apply only to Unit 18 employees.

- A. HOLIDAYS DEFINED.** Paid holidays shall be:

January 1st – New Year’s Day
 Third Monday in January – Dr. Martin Luther King, Jr.’s Birthday
 Third Monday in February – Presidents’ Day
 Last Monday in May – Memorial Day
 July 4th – Independence Day
 First Monday in September – Labor Day
 November 11th – Veterans’ Day
 Fourth Thursday in November – Thanksgiving
 Fourth Friday in November – Day after Thanksgiving

All other days appointed by the President of the United States or Governor of the State of California as a nationwide or statewide public holiday, day of fast, day of mourning or day of thanksgiving, provided that observance of the day as a paid holiday is approved in writing by a majority of the voting members of the Board of Trustees.

Two floating holidays are to be scheduled by mutual agreement of the employee and his/her Department Head and taken within the fiscal year. When a written request for a floating holiday is submitted, the Department Head shall respond in writing within 14 calendar days or shall schedule the floating holidays as requested by the employee. Employees hired on or after April 1 of any fiscal year are not eligible to receive the floating holidays in that fiscal year.

Less than full-time eligible employees shall be entitled to prorated floating holidays based upon a proration of the hours the employee is regularly scheduled to work.

- B. VALUE OF A HOLIDAY.** The value of a holiday which falls during a pay period is 1/10th of said scheduled pay period, excluding overtime. The maximum potential value of a holiday is 8 hours for a scheduled 80 hour pay period.
- C. NUMBER OF HOLIDAYS FOR SHIFT WORKERS.** Except as provided in subparagraph C. hereof, no employee assigned to shift work shall receive a greater or lesser number of holidays as defined in Section 9.A. in any calendar year than employees regularly assigned to work during the normal work week, regardless of how the holiday is compensated. The intent of this section is to compensate each employee for each holiday defined in Section 9.A. above, whether compensation is in cash or time off. For holiday administration purposes only, when an assigned shift overlaps two calendar days, the day worked or scheduled to be worked shall be that calendar day upon which a majority of work, excluding overtime, was performed or scheduled.
- D. HOLIDAYS TO BE OBSERVED ON WORK DAYS.** In the event that January 1st; July 4th; November 11th, known as "Veterans' Day"; or December 25th shall fall on a Saturday, said holiday shall be observed on the preceding Friday. In the event that any of said holidays enumerated in this subparagraph shall fall on a Sunday, said holiday shall be observed on the following Monday. A day proclaimed as a nationwide or statewide public holiday, day of fast, day of mourning or day of thanksgiving, and approved in writing by a majority of the voting members of the Board of Trustees, shall be granted only to those employees who are regularly scheduled to work on the day for which such holiday is proclaimed.

Notwithstanding the observance of holidays specified in Section 9.D. herein, and including the provisions of 9.C. herein, when December 25th and January 1st appear in the calendar year on a Saturday or Sunday, and a weekend worker is scheduled on said day, the employee shall celebrate the Christmas holiday on December 25th and the New Year's Day holiday on January 1st.

E. HOLIDAY COMPENSATION.

1. For Full-time Employees.

- a. Holidays not worked by full-time employees shall be compensated at straight time. Holidays worked by Full-Time employees shall be compensated at straight time, in accordance with Section 18.B.

2. For Part-time Employees.

- a. For part-time employees, the compensation for holidays not worked shall be at straight time, prorated each pay period in which a holiday occurs, based upon a proration of the hours which would have been worked within the pay period, but for the holiday, to the normal full-time period for the job classification.

Such an employee may, in writing, with a minimum of seven calendar days notice to his/her Department Head elect to use accrued vacation and/or compensatory time off to replace a decrease experienced in the employee's regular biweekly salary due to a prorated holiday.

b. Less than full-time employees shall be compensated for hours worked on holidays defined herein at the normal hourly rate.

3. **In-Lieu Day Off.** When a holiday as set forth in paragraph A hereof, other than days appointed by the President of the United States or Governor of the State of California as a nationwide or statewide public holiday, day of fast, day of mourning or day of thanksgiving, and approved in writing by a majority of the voting members of the Board of Trustees, falls on an employee's regularly scheduled day off, such employee may be given an in-lieu day off (a less than full-time employee will receive a prorated in-lieu day off) within 26 pay periods to be scheduled by mutual agreement of the employee and AHS. Should an in lieu-day off not be taken within the 26 pay periods, the Department Head may schedule the day off or authorize compensation in cash pursuant to Section 9.E.1.a., or Section 9.E.2.a. On the holiday, should an in-lieu day off not be granted, compensation shall be paid in cash pursuant to Section 9.E.1.a. or Section 9.E.2.a.

F. ELIGIBILITY FOR HOLIDAY PAY. To be eligible for holiday pay, except pay for a floating holiday, an employee must be on paid status on the employee's scheduled work day before and the employee's scheduled workday after the holiday.

G. CONFORMITY WITH STATE HOLIDAYS. In the event the Legislature shall amend Section 6700 of the Government Code to change the date of a holiday listed in paragraph A. hereof is observed, employees subject to this Memorandum of Understanding shall celebrate said holiday in conformity with the State. This paragraph shall not be applied so as to increase or decrease the number of holidays set forth in paragraph A. hereof.

H. EXEMPT WORK SITUATIONS. Time spent in study courses, seminars and meetings of professional groups is exempt from the provisions of this section.

PTO pay shall be granted only for those days or fractions thereof on which employees would have been regularly scheduled to work and would have worked but for the PTO period. An employee who is regularly scheduled to work less than the normal work week for the job classification shall accrue PTO entitlement according to the following schedules, except that the PTO accrual entitlement shall be prorated each pay period based upon a proration of the hours worked within that pay period to the normal full-time pay period for the job classification.

Employees shall have the primary responsibility to schedule and take sufficient PTO to reduce their accrued PTO leave balances to levels which do not exceed the amount for which they can receive cash payment hereunder upon termination or which will avoid a downward adjustment. Department Heads shall make a reasonable effort to accommodate written PTO leave requests submitted by employees which state that the purpose of such request is to reduce accrued PTO leave balances to the level which can be paid for in cash upon termination or to avoid a downward adjustment.

B. CASH PAYMENT IN LIEU OF PTO LEAVE:

i. An employee who accrues PTO leave pursuant to subsections 10.A. and who leaves AHS service for any reason shall be paid at the bi-weekly or hourly rate for each classification for unused PTO accrued to the date of his/her separation provided that such entitlement shall not exceed the employee's applicable maximum PTO balance as set forth in subsections 10.C.

ii. Employees shall have the primary responsibility to schedule and take sufficient PTO leave to reduce their accrued PTO leave balances to levels which do not exceed the amount for which they can receive cash payment hereunder upon termination. Department Heads shall make reasonable effort to accommodate written PTO leave requests submitted by employees which state that the purpose of such requests is to reduce accrued PTO leave balances to the level which can be paid for in cash upon termination.

- C. **LIMITATION ON UNUSED PTO BALANCES** Maximum PTO leave balances in any pay period, shall be no more than **one- and one-half** times the employee’s PTO accrual rate **as reflected in the second column below.**

- E. **PTO CAP EFFECTIVE DECEMBER 29, 2008:** Effective December 29th, 2008, employees will not be permitted to accrue PTO over the cap. Thereafter, no employee will accrue PTO after reaching the cap until such time as balances drop below the cap. The Department Head or designee shall make every reasonable effort to accommodate written PTO leave requests submitted by employees which state that the purpose of such request is to reduce accrued PTO leave balances to avoid reaching the PTO cap.
- F. **MAXIMUM PTO LEAVE:** An employee shall be allowed to take one and one-half times his/her annual PTO accrual during any calendar year, provided that he/she has accumulated sufficient unused PTO leave. An employee, with the permission of his/her Department Head, may take PTO in excess of one and one-half times his/her annual PTO accrual during any calendar year, if he/she has accumulated sufficient unused PTO leave.
- G. **EFFECT OF LEAVE WITHOUT PAY ON PTO CREDIT.** No PTO credit shall be earned during the period when an employee is absent on leave without pay.
- H. **EFFECT OF ABSENCE ON CONTINUOUS SERVICE.** Absence on authorized leave with or without pay, time during which a person is laid off because his/her services are not needed, and time during which a person is temporarily not employed by AHS, if followed by re-employment within two years, shall not be considered as an interruption of continuous service for the purpose of this section. However, the period of time such employee is absent on authorized leave without pay or so laid off or so temporarily not employed shall not be counted in computing such years of continuous employment for the purpose of this section, provided that persons who were re-employed, after one year shall, after completing ten years of uninterrupted service following such re-employment, receive credit for all prior service in determining eligibility for vacation entitlement at the rate of 1.346 working days for each bi-weekly period.
- I. **WHEN PTO LEAVE MAY BE TAKEN.** Paid leave may be granted only for those days or fractions thereof on which an employee would have been regularly scheduled to work and would have worked but for the PTO leave.
1. **PTO Seniority:** An employee’s seniority for PTO scheduling purposes shall be as defined in Section 40 and shall be unaffected by the employee’s transfer from one scheduling unit to another.

2. **For Full-Time Employees:** Except as provided in subsection 4 hereof, PTO shall be scheduled by mutual agreement of the employee and the Department Head. In the event of conflicting requests from employees, the matter shall be decided in favor of the employee having the longest AHS service in a classification within a PTO scheduling unit.

Subsequent PTO requests within the same calendar year shall be resolved in favor of the most senior employee who has not, by virtue of his/her senior position, previously had such a conflict resolved in his/her favor during the calendar year. In the event of PTO schedule conflict among employees, all of whom have, by virtue of their senior position, had such conflicts resolved in their favor during the calendar year, the senior employee who has had the least number of such conflicts resolved in his/her favor shall prevail. When written submission of a PTO request is required pursuant to this subsection 2, the Department Manager shall respond within 30 calendar days in writing or shall schedule the PTO requested by the employee.

- iii. **For Part-Time Employees:** Any employee scheduled to work less than the full-time work week and two-fifths or more time for the job classification may, at the discretion of the Department Head, be included in a PTO scheduling unit with full-time employees in the same job classification, and in such cases both the full-time and the less than full-time employees shall have conflicting requests resolved according to the procedure indicated herein.
- iv. **Alternative Scheduling Procedure:** In the event that PTO scheduling pursuant to subsection 2 or 3, hereof is impractical due to the size of the department PTO scheduling unit involved or other reasons, the following procedures shall apply:

J. In a month established by the Department Head, any employee may submit up to three choices of preferred PTO period for the subsequent 12 months. The Department Manager shall approve such choices on the basis of employee seniority as set forth in subsection 2. hereof. The Department Manager shall post a list of approved and scheduled PTO leaves no later than six weeks following the end of the designated month in which the PTO requests were due. Any employee who fails to submit a choice or choices or any new employee who misses the sign-up period for the department shall schedule PTO leaves by mutual agreement pursuant to subsection 2 or 3 hereof provided that such PTO scheduled by mutual agreement shall not supersede any PTO scheduled by submission. In the administration of this subsection, the Department Manager shall post seniority lists; list of the number of employees by classification allowed to be on PTO at one time or for any period; and blank calendars, or other means which shall make it possible for employees to submit their three choices and to determine which employees have applied for which vacation periods.

- i. **PTO SEGMENT:** An employee shall be allowed to divide his/her PTO leave in any calendar year into two segments. With the approval of the employee's Department Manager, which shall not be unreasonably withheld, the employee may take additional segments of PTO. These segments are to be in addition to any segments of PTO leave used as personal leave as defined in Section 10.K.

- K. **PERSONAL LEAVE.** An employee shall be allowed two days in any calendar year from his/her regular PTO allowance for personal leave. A Department Head shall not deny a request for this leave except for reasons critical to the operation of his/her department. Such personal leave shall be in segments of four hours or more.
- L. **RATE OF PTO PAY.** Compensation during vacation shall be at the rate of compensation which such person would have been entitled to receive, including premium pay, if in active service during such PTO period.

M. CONTINUATION OF SECTION. This Section 10. shall remain in full force and effect notwithstanding the expiration of the other sections of this Memorandum of Understanding on June 30, 2017, as provided in Section 52, and unless otherwise agreed to by AHS, shall be incorporated into the successor Memorandum of Understanding.

G. AMBULATORY INCENTIVE PAY

1. Eligibility

Only full-time and part-time physicians providing ambulatory care are eligible for the Ambulatory Provider Incentive Bonus. In addition, all employees must be employed on the last day of the Measurement Period in order to qualify for the Ambulatory Provider Incentive Bonus.

a. Newly Hired Physicians

Newly Hired Physicians are eligible to participate in the Provider Incentive Bonus Payment after successfully completing the 6-month probationary period. The probationary period is defined in Section 39(E) of this agreement.

b. Existing Physicians

Physicians who are employed as of the date of ratification of this agreement shall be deemed “Existing Physicians” under this Incentive Bonus plan. Existing Physicians who meet the eligibility requirements of this plan are eligible to participate in the Incentive Bonus plan in the Measurement Period immediately following the ratification of the MOU.

2. Measurement Periods and Timing of Bonus Payment

The following are the Measurement Periods and payment dates for bonuses.

Measurement Period	Bonus Payment
January 1 st through April 30 th	Pay period closest to June 15 th
May 1 st through August 31 st	Pay period closest to October 15 th
September 1 st through December 31 st	Pay period closest to February 15 th

For calendar year 2021, the following Measurement Period is applicable:
January 1, 2021 through June 30, 2021. Bonus payment made in the pay period closest to August 15, 2021. The Productivity Benchmark for this Measurement Period is \$50 per visit over 1,544 encounters.

3. Recording Patient Visits

All Physicians understand that they are responsible for accurately and timely recording patient visits in NextGen. Patient visit numbers will be reconciled every Measurement Period in order to determine bonus eligibility and payment levels. At the end of each Measurement Period, management will run reports to determine the number of patient encounters documented and billed under each provider's name. Each provider is responsible for ensuring that their encounters are recorded with an appropriate CPT code in NextGen. Any encounters that are unbilled or completed after the Measurement Period will not be applied retrospectively to the Productivity Base metric in the prior Measurement Period.

4. Productivity Base

The Productivity Base is set in accordance with the median number of physician visits (per physician FTE), as reported for California FQHCs. As of the date of ratification of this agreement, the median number of physician visits is 3,089 visits for each 1.0 FTE.

In accord, the Productivity Base shall be 3,089 patient visits per year for each 1.0 FTE. The Productivity Base is prorated based on each provider's FTE level. For example, a 0.5 FTE provider must meet a Productivity Base of 1,545 patient visits per year.

The Productivity Base will be measured and paid three times per year, as detailed above in Section 20

(b.) Therefore, the "Productivity Base" equals 1,029 physician visits for each 1.0 FTE physician.

5. Incentive Bonus Amount

AHS will compensate each eligible physician at a rate of \$50 per patient visit after the Productivity Base metric is met. For example, a 1.0 FTE physician who reports 1,050 visits at the end of a Measurement Period will receive \$50 for each of the visits above the Productivity Base metric (1,029). In this example, the physician's bonus would be \$1,050.

6. Productivity Base Implementation 2019-20

Based on UAPD's feedback, AHS agrees that the following Productivity Base and bonus payments will be applicable between May 1, 2019 and Aug 31st 2019:

895 visits = \$20/visits between 896 and 966,
967 visits = \$30/visits between 967 and 1,028
1,029 visits = \$50/visits of 1,029 and over

The following Productivity benchmarks will be applicable between September 1, 2020 and December 31st 2020:

1,029 visits = \$50/visits of 1,029 and over

H. REOPENER

Upon request from the Union, no sooner than July 2019, AHS will conduct a market survey for a reopener on salaries for Ambulatory Physicians, Ambulatory SANs, and Dentists.

SECTION 21. WAGE SCALE PROGRESSION

- A. STEP PLACEMENT AND INCREASES.** Except as herein otherwise provided, where compensation is designated by a schedule of steps, the rate of compensation shall be at the rate designated under the first step. After an employee completes the equivalent of thirteen (13) biweekly payroll periods of continuous full-time service in the same classification at the first or second step, he/she shall advance to the next step. After he/she has completed the equivalent of twenty-six (26) biweekly payroll periods of continuous service in the same classification at the third or fourth step, he/she shall advance to the next step. Progression from 5 to 6 and 6 to 7.
- B. DATE OF STEP INCREASES.** The effective date of a step increase shall always be the first day of a biweekly pay period. If the employee completes the hours stated in Subsection A during the first 5 calendar days of a pay period, excluding holidays, the advancement shall be effective on the first day of that pay period; otherwise, the anniversary date shall be the first day of the succeeding biweekly pay period.
- C. APPOINTMENT ABOVE THE FIRST STEP.** Where a classification step schedule begins at step 2, 3, or 4, a newly hired employee shall be placed at the lowest step of that schedule after which further increments shall occur as set forth in Subsection A. An initial placement on the wage scale for a professional, technical or administrative classification may be made at any step, provided the request has been authorized by the AHS Human Resources Director.
- D. NO REDUCTION IN PAY.** Except as specifically provided for, there shall be no reduction in pay as a result of this MOU.
- E. TRANSFERS/PROMOTIONS.**
1. An employee who transfers to a classification with the same compensation rate shall be placed in a step rate that will not result in reduction of pay, and thereafter shall advance in the schedule in accordance with Subsection A.
 2. An employee who transfers to a classification with a lower compensation rate shall be credited with his/her service in the previous position compensation rate and thereafter shall advance in the schedule in accordance with Subsection A.
 3. An employee who is promoted to a classification with a higher compensation rate shall be placed at the step which is at least 3% above the rate he/she was receiving in the lower level classification; provided, however, that if the resultant increase in compensation is less than 5 percent, the length of time required to be served in the new salary step as provided in Subsection 1 shall be reduced by one-half. Thereafter, the employee shall advance in the schedule in accordance with Subsection A.
- F. EFFECT OF ABSENCES ON WAGE INCREMENTS.** For the purposes of advancing in the step schedule the following shall not be considered absences and the employee shall be credited with the periods of time based on his/her regular schedule:
1. Absence on authorized leave with pay and absence on military leave
 2. Any absence within the first two biweekly pay periods of service which would have been compensated for had it not fallen within such period.

SECTION 22. PREMIUM CONDITIONS

- A. **SPLIT SHIFT.** Except as provided otherwise in paragraph B., below, any employee required to work a split shift shall be paid at a rate of five percent over and above his/her regular biweekly or hourly rate of pay for the entire shift so worked. For purposes of this paragraph "split shift" is defined as any daily tour of duty divided into two work periods of time and taking more than nine and one-half consecutive hours to complete. Individual employees may waive this premium payment.
- B. **BILINGUAL PAY.** Upon the recommendation of the Department Head and the approval of the Director of Human Resources, a person occupying a position designated as requiring fluency in a language other than English shall receive an additional \$30 per pay period compensation.

SECTION 23. SPECIAL PERFORMANCE PAY

- A. **FOR STANDBY DUTY.** Employees who are required to perform standby duty, or who are placed on-call, shall be compensated at the rate of one-eighth pay for such duty.
- B. **FOR CALL-BACK.** An employee called back to work for any reason shall be compensated at the regular rate for such work
- C. **FOR TEMPORARY ASSIGNMENT TO A HIGHER-LEVEL POSITION.** An employee specifically assigned on a temporary basis to a higher-level position in which there is no appointed incumbent or in which the appointed incumbent is on paid or unpaid leave, shall be compensated at the pay rate for the higher-level position provided that all of the following criteria are met:
 - 1. The full range of duties of the higher-level position has been specifically assigned in writing by the Department Head.
 - 2. Assignment for out-of-class pay can only be made for the full shift of the higher-level position. Under the provisions of this section, part-time employees can only meet the "full shift" criteria by being assigned to a higher-level part-time position, or by being assigned to work the full shift of a full-time position.

Compensation for temporary assignment to a higher-level position shall be as follows:

- a. The service in such position exceeds 10 days in any 12-month period, and payment shall be retroactive to the first day of such services in a 12-month period.
- b. The rate of pay pursuant to this section shall be calculated as though the employee has been promoted to the higher-level position. Since out-of-class pay is an assignment rather than an appointment to the position, the employee is not eligible for step increases which apply to the higher-level position, but continues to receive step increases for the lower level position, if the employee is otherwise eligible for step increases in the lower level position.
- c. A Unit 18 employee otherwise eligible for out-of-class pay who is absent on paid leave shall be paid at the out-of-class pay rate for such paid leave, provided that:
 - i. Another person has not been hired or assigned to work on an out-of-class pay basis to the same position to which the out-of-class pay assignment has been made for the same period.

ii. Paid leave shall be granted at the higher level during an employee's assignment in the higher level, provided, however, when an absence exceeds five consecutive work days, the employee shall be paid for such absence in excess of five work days at the employee's regular non-out-of-class rate.

Time worked in a higher-level assignment in excess of the work week affixed to the employee's appointed position shall be compensated pursuant to the provisions of Section 20 hereof.

- D. REPORTING PAY.** In the event that an employee is scheduled or directed to report for work and so reports and is told by the Department Head that his/her services are not required, he/she will be entitled to two hours pay at the straight time rate. If such employee is sent home through no fault of his/her own before completion of a shift, such employee will be entitled to a minimum of four hours of pay at the straight time rate, or straight time pay for hours actually worked, whichever is greater.

AHS shall contribute toward the monthly provider's charge for a comprehensive group health plan for eligible full-time employees, as well as their spouses/domestic partners and eligible dependents, according to the chart below. The current co-pays for office visits, services and prescriptions will be clearly described in the summary of each health plan made available to UAPD employees during open enrollment.

3. Health Plan Coverage for SAN employees who work more than 30 hours per week in the look back period. The coverage begins on January 1st, 2015 for the look back period of September 1st – August 31st of the previous year. The intent of this Section limits AHS employees who are married or in a domestic partnership from both covering each other within the same health plan. Married AHS employees or employees with a domestic partner, (as defined in Appendix B) both employed by AHS, shall be entitled to one choice from the plan offerings through Alameda County. Starting January 1, 2012, share the savings will be a flat \$250 per month for opting out of the health plan altogether. Employees will be able to opt out of the Dental Plan as well for \$20 per month; again, they would have to opt completely out. Married couples or domestic partners who both work for AHS are not be eligible for either share the savings or double health and/or dental coverage.

7. Effect of Authorized Leave Without Pay on Health Plan Coverage. Employees who were absent on authorized leave without pay, and whose health plan coverage was allowed to lapse for a duration of three months or less, will be able to re-enroll as a continuing member in the same plan under which they had coverage prior to the authorized leave by completing the appropriate enrollment cards within thirty calendar days of the date they return to work. The Healthcare Cost Containment Labor Management Committee will meet monthly. Other bargaining units will be invited to participate. The parties may mutually agree to add other members and/or bring in others inside and outside the organization on an ad hoc basis to assist in the Committee's mission.

B. DENTAL PLANS.

1. Dental Plan Coverage for Full-Time Employees. AHS shall contribute the full cost of the provider's charge for a dental plan for full-time employees and their dependents, including a domestic partner (as defined in Appendix B) and their dependents, provided that the employee is on paid status at least 50 percent of the regular full time pay period for the job classification. Eligible full-time employees may elect from any of the dental plan options provided through AHS.

2. Dental Plan Coverage for Less than Full Time Employees. The dental plan for less than full-time employees shall provide the same benefit coverage as in effect for full-time employees as described in Paragraph 1 above. To participate, an employee must have a calculated FTE of .50 or higher in the prior benefit look back period.

3. Effect of Authorized Leave Without Pay. Employees who are granted leave of absence without pay, whose dental plan coverage has lapsed for a period of ten (10) pay periods or less, and who return to work shall retain dental plan eligibility as further provided:

a. Full-time and Part Time employees regularly scheduled to work 50% time or more per pay period who were absent on authorized leave without pay, and whose dental plan coverage lapsed for a duration of ten (10) pay periods or less, will be re-enrolled in the dental plan as a continuing member with respect to the application of deductibles, maximums and waiting periods. 3. How a Supplement to SDI is Treated. Hours, including fractions thereof, charged against the employee's accrued sick leave, vacation leave, compensating time off, and/or floating holiday balances as supplements to disability insurance benefits will be regarded as hours of paid leave of absence.

Vacation and sick leave shall be accrued based upon the proportion of the hours charged against the employee's accrued sick leave, vacation leave, compensating time off and/or floating holiday balances to the normal pay period.

4. **Health Plan Coverage in Conjunction with SDI.** For purposes of determining eligibility for AHS's hospital and medical care contributions and dental coverage, employees who are receiving a supplement to disability insurance benefits paid from and charged to accrued sick leave, vacation leave, compensating time off and/or floating holiday balances shall be regarded as on paid status for their regular work schedules with regard to the days for which supplement is paid.

If an employee has a last point of contact, which is not the assigned worksite, then the distance between the last point of contact and home will be recorded. SECTION 36. REIMBURSEMENT FOR DRUG ENFORCEMENT REGISTRATION ADMINISTRATION FEE AND STATE MANDATED LICENSES

Effective July 1, 2007, AHS will reimburse the cost of the application fee for the Drug Enforcement Administration Registration, or the employee will obtain the appropriate signature to have the fee waived, for any eligible employees who are required as part of their official duties to administer, dispense or prescribe controlled substances. Employees will also be reimbursed for any state mandated licenses.

Reimbursement will be made subject to applicable Chief Finance Officer's Office procedures and requirements.

SECTION 37. CONTINUING MEDICAL EDUCATION STIPEND

Upon the approval of the Department Head and/or his/her designee, of a plan submitted by an employee to engage in continuing medical education (CME) courses which shall maintain or upgrade the employee's skills on the job, AHS shall pay up to \$1,500 per employee per fiscal year for employees regularly scheduled 2/5th or more. AHS shall pay up to \$750 per employee for employees regularly scheduled for less than 2/5th. More than one plan may be approved in any fiscal year, but in no event shall the stipend exceed the applicable maximum amount per employee per fiscal year.

Items covered by this fund are literature, courses, business related hardware and software, and handheld devices. Expenses eligible for reimbursement under this section must be professionally related.

SECTION 38. CALL ROOM

It is the intent of AHS to provide an adequately furnished room for the use of physicians assigned to work night shifts.

SECTION 39. HIRING PRACTICES AND PROBATIONARY PERIOD

A. VACANCIES

1. When vacancies occur AHS shall notify the Union and shall afford it an opportunity to send applicants for the position.
2. All hiring decisions shall comply with applicable federal, state and local laws and selection shall be based on the applicant's qualifications for the position for which he/she has applied.

3. AHS may hire any person who, in its judgment, is the most qualified applicant.
- B. POSTING OF VACANCIES.** The parties agree that notices of staff vacancies shall be posted at pre-designated locations at all AHS work sites where covered employees are employed, concurrent with advertising to the general public, for seven calendar days prior to interviews for the vacancy.
- C. TRANSFER WITHIN CLASSIFICATION.** In the case of a permanent regular full-time or part-time or SAN vacancy, employees shall upon written bid, be considered for the posted vacancy if they meet the qualifications of the posted job and if their work performance has been satisfactory on their current job. Special program requirements shall appear on position postings (such as clinical and program requirements, certifications or bilingual proficiency). Qualifications, experience and seniority of applicants will be considered by the hiring manager filling the position.
- D. PROMOTIONAL OPPORTUNITIES.** AHS confirms its commitment to permit and encourage the filling of higher classes by promotion. Pursuant to this commitment, AHS commits to consider internal candidates for all position vacancies and to provide opportunities for promotion of current employees to promotional positions, provided these employees possess adequate qualifications, experience, skills and abilities to satisfactorily perform the job. In addition, AHS agrees to interview the three (3) most senior qualified applicants for any opening, along with other candidates selected by the Human Resources Department.
- E. PROBATIONARY PERIOD.** Newly hired employees of AHS shall serve a probationary period of six (6) months. During such probationary period, employees may be discharged without recourse to the grievance procedure, except where it is alleged that AHS has violated the provisions of Section 2. No Discrimination of the MOU.
- F. PRE-TAX PARKING.** Alameda Health System has established a pre-tax parking program, pursuant to Internal Revenue Code 132(f), to allow employees the ability to use pre-tax dollars to pay for qualified work-related parking fees.

SECTION 40. SENIORITY

- A. SENIORITY DEFINED.** "Seniority" means the total length of unbroken service with AHS commencing with the employee's most recent date of hire, provided that SAN employees shall have "seniority among themselves." As an exception to the above, seniority for the purposes of displacement shall be based on the employee's total accrual of regular hours paid in his/her employment.
- B. TRANSITION.** Employees who were employed by the County of Alameda and who were hired by AHS on January 10, 1999 without a break in employment shall retain their County hire date for seniority purposes.
- C. BREAK IN SERVICE.** For the purposes of this Section 39, a "break in service" shall be the following:
1. A resignation;
 2. Retirement;
 3. A termination for cause;
 4. A layoff exceeding twenty-four (24) months.
- D. ADJUSTMENT OF SENIORITY DATE.** An employee's seniority date shall be adjusted by the period of an authorized unpaid leave of absence exceeding six months.

- E. **TIES IN SENIORITY.** In the case of a tie in seniority between two or more employees the date the employees submitted their applications will break the tie.
- F. **REHIRES AND RECALL.** An employee who resigned or was laid off and who is rehired or recalled within twenty-four (24) months from their termination into a position in which he/she held tenure shall return to the same salary step, and vacation accrual rate and shall have his/her original seniority date adjusted for the period when not employed by AHS.

SECTION 41. CLASSIFICATION AND RECLASSIFICATION

- A. **CHANGES IN CLASSIFICATION.** Any proposed changes in the classifications listed in Appendix A, titles, job descriptions and proposed new classifications, for which a portion of the job duties are the same or similar in nature to those performed by employees in classifications listed in Appendix A, shall be subject to the meet and confer process with the Union. In the event the parties reach impasse, the Union may appeal the matter to an adjustment panel composed of two (2) representatives of the Union, two (2) representatives of AHS and a State mediator agreeable to both parties. The recommendation of the adjustment panel shall be referred to the Operations Improvement Committee of AHS. The decision of the Operations Improvement Committee shall be final.

Disputes involving matters of Reclassification and Out of Classification are subject to the grievance procedure.

- B. **EMPLOYEE REQUEST FOR RECLASSIFICATION.** An employee who believes that he/she is being worked out of classification, and who believes that there has been a substantial change in his/her duties, which are not covered by the classification, may first request a review and resolution by the Human Resources Department. The Human Resources Department agrees to respond to 'the request within forty-five (45) calendar days. If the issue remains unresolved, he/she may submit the matter for resolution through the grievance procedure. The date of the response from the Human Resources Department shall be the effective date of any classification and/or pay change.
- C. **WORK OUT OF CLASSIFICATION.** Claims for temporary assignment to a higher-level position may be addressed through Section 23.C of this MOU.

SECTION 42. SUBCONTRACTING

- A. The Union recognizes that the Employer has the obligation to provide effective health care in as efficient a manner as possible. The Employer recognizes that the Union has the obligation to protect the rights of Union members.
- B. Consistent with current practice, Management reserves the right to meet immediate day-to-day operational needs by contracting for services, for example, through registry, temporary services, and similar temporary help agencies.
- C. AHS will abide by California Health and Safety Code, Section 101850, in the event it chooses to enter into a contract to replace services being provided by physicians and surgeons who are employed by AHS and in the recognized collective bargaining unit.

SECTION 43. LAYOFF

- A. DETERMINATION OF EXTENT OF LAYOFF.** Whenever it becomes necessary to reduce the number of employees at AHS, the CEO shall determine the classifications to be affected by the reduction, the number of positions to be reduced, the date the reduction is to take effect and shall request approval from the Board of Trustees.

When specific positions within a classification require special skill, knowledge, or abilities, the Human Resources Department, with prior concurrence of the CEO and Board of Trustees, and after meeting and conferring with the Union, may designate specialties within a classification and treat such approved specialties as a separate classification for the purpose of layoff and demotion in lieu of layoff.

An employee exercising rights to a vacant position, or to displace an employee occupying a position, pursuant to this **Section 43** must be qualified for that position. For the purposes of this Section 43, "qualified" means that the employee has the required licenses/certification and is able to perform all the duties of that position.

- B. ORDER OF LAYOFF.** Layoff within the affected classifications shall be based on inverse seniority. Before any regular full time or part time employee is displaced, first all temporary, then probationary employees will be displaced.
- C. LATERAL MOVEMENT TO A VACANT POSITION.** An employee subject to layoff may elect to move to a vacant position in his/her own classification or to a vacant position in an equal-paying classification, provided that such employee has held a position in that equal-paying classification.
- D. LATERAL MOVEMENT TO AN EQUAL-PAYING POSITION IN LIEU OF LAYOFF.** Where there are no vacant positions, an employee who has held a position in an equal-paying classification may displace the least senior employee in an equal-paying classification. The employee who has held a position in more than one equal-paying classification does not have an option as to the classification in which the layoff will occur, but will be permitted to move only into the classification then filled by the employee with the least seniority.
- E. DEMOTION IN LIEU OF LAYOFF.** An employee in a classification affected by a reduction in force may elect to demote to a lower paying classification, provided that such an employee has held a position in the lower paying classification.

When both the employee demoting and the employee in the lower paying classification have equal seniority, the employee in the lower paying classification would be displaced first.

- F. NOTICE.** Prior to any lay off, employees will be given notice of one (1) month or one (1) month's pay in lieu of notice or any combination of pay and notice.
- G. RECALL.** Employees shall be recalled by seniority for two (2) years from the date of the layoff.
- H. ALTERNATE PROCEDURE.** AHS and the Union agree that they may meet and confer on an alternate procedure to be used in lieu of the foregoing, provided that there is mutual agreement on the procedure to be used.

SECTION 44. AMBULATORY PROVIDER COUNCIL

AHS will create an Ambulatory Provider Council to allow for improved communication and dialogue between frontline providers and local and system-level ambulatory leadership to improve the care of patients.

The Council will be comprised of provider representatives (minimum one per Wellness Center) and AHS ambulatory leadership and will meet at least quarterly to discuss operational issues pertinent to providers, and provide feedback on upcoming ambulatory initiatives directly to system-level leadership.

The council members will also join the existing North and South County Patient Care Councils. Those Councils meet at least quarterly to ensure that the provider voice is represented and informs key clinic changes and feedback from staff.

SECTION 45. GRIEVANCE PROCEDURE

A. EMPLOYEE GRIEVANCE. If an employee or the Union has a grievance or complaint concerning the interpretation or application of the terms of this MOU, it shall be taken up in the manner set forth in this Subsection A. References to an AHS manager or officer shall include his/her designee. A grievance is an allegation by an employee, group of employees or the union that AHS has violated a provision of this MOU provided that the issue is within the scope of representation as defined in Government Code Section 3504.

As a preliminary step, the employee shall first confer with his/her supervisor. No grievance shall be processed unless this meeting has occurred.

STEP 1. Submission of Written Grievance to the Medical Director of AHS. If the grievance or complaint is not thus settled, it shall be set forth in writing and submitted to the Medical Director of AHS. The Grievance shall state:

- a. the section of the MOU that has been allegedly breached;
- b. the facts upon which it is based;
- c. the remedy that is sought;
- d. the date of the informal meeting with the supervisor.

Within ten (10) days of the written submission, the Medical Director of AHS, or corresponding administrative level, shall provide a written response. There shall be a full and frank disclosure by both AHS and the Employee/Union of each other's position including the supporting rationale. If the grievance is not settled, within ten (10) days of the Step 1 response either party may request in writing that it be referred to the next step.

STEP 2. Submission of Grievance to Chief Operating Officer. Within ten (10) days of receiving the request, there shall be a Step 2 meeting with the Chief Operating Officer, or the Chief Operating Officer shall provide a written response. Although no meeting is required at this step, the employee and his/her representative may be present at, and participate in, any such hearing as the Chief Operating Officer may conduct. If the grievance is not settled, within ten (10) days of the Step 2 response either party may request in writing that it be referred to the next step.

STEP 3. Meeting with the CEO. Within ten (10) days of receiving the request, there shall be a Step 3 meeting with the CEO or his/her designee. AHS shall provide the Union with its final written response within ten (10) days of the conclusion of the Step 3 meeting. If the grievance is not settled, within thirty (30) days of the written Step 3 response either party may request in writing that the matter be referred to Step 4, Arbitration.

STEP 4. Arbitration: The arbitrator will be selected by representatives of AHS and the Union by jointly requesting a list of qualified arbitrators from the American Arbitration Association. AHS and the Union shall each pay one-half (1/2) of the costs of arbitration, including the fees of the arbitrator and other expenses of the arbitration proceeding, including a reporter, but not including compensation of costs of representation, advocacy or witnesses for either party.

- B. UNION GRIEVANCE.** The Union may, in its own name, file a grievance alleging that AHS has failed to provide some organizational right, which is established by law, by written rules of AHS or by this Memorandum of Understanding. Such grievances shall be filed with the CEO at Step 3.
- C. TIME LIMITS.** No grievance or complaint shall be considered unless it has first been presented in writing at Step 1 (or in the case of a Union grievance, at Step 3) within sixty (60) calendar days of the date upon which the grievant or the Union knew, or with reasonable diligence, ought to have known of the facts that gave rise to the grievance, and no grievance shall be submitted to arbitration unless a written demand to arbitrate (submission to Step 4) is presented within thirty (30) days of the final Step 3 response. On no account shall any grievance include a claim for money relief for more than sixty (60) days from the date of the grievance. With the exception of Step 4, if AHS fails to adhere to the time limits set forth in the Grievance Procedure, the grievance will be automatically advanced to the next step.
- D. AUTHORITY OF ARBITRATOR.** The arbitrator's award shall be final and binding on the parties. The arbitrator's authority shall be limited to the interpretation and application of specific provisions of this MOU and he/she shall have no power to add to, to subtract from or to change any of the terms or provisions of this MOU. The award shall be based upon the joint submission agreement of the parties, or in the absence of an agreed submission, the questions raised by the parties in respect to the specific interpretation and application of the Agreement.
- E. DISCIPLINARY ACTIONS.** Appeals of disciplinary actions are covered under Section 47.

SECTION 46. PERFORMANCE IMPROVEMENT COACHING

In order for AHS to attract and retain patients and be financially viable in the future, the Union and AHS agree that employees must be productive, competent and well-disciplined to perform their assigned responsibilities. Both the Union and AHS agree that employees are deserving of being treated with dignity and respect.

COACHING. This is part of the supervisor's ordinary day-in and day-out responsibilities for managing people. These coaching sessions may be casual or formal in nature aimed at recognizing best practice performance and behaviors that align with expected standards as well as coaching to expectations that drive performance; they should be face to face conversations that occur during the shift. These conversations MAY be documented at the request of either the manager or employee, but WILL NOT be placed in the employee's personnel file.

PERFORMANCE IMPROVEMENT PLAN (PIP). When a problem continues, the supervisor may schedule a more serious discussion to let the employee know that immediate change is needed. At this point, that matter is still between the employee and the supervisor. As long as the employee solves the problem, it goes no further. There is no official record of the PIP in the personnel file. PIPs may involve further training, orientation or mentoring and can have timelines for completion of tasks. PIPs will require documentation, but again WILL NOT be placed in the employee's personnel file.

SECTION 47. DISCIPLINARY ACTION

AHS agrees to the principles of progressive discipline, where appropriate, and to due process as set forth in this Article. It is the intent that disciplinary action be corrective in nature.

All problems employees have are divided into three categories or tracks:

I. Attendance:

Violations of the attendance and other related policies

II. Performance:

Neglect of Duties - Generally knowing how to do the work but just not doing or finishing it.

Incompetence - Not knowing how to do work which is reasonably in the job description.

Training or retraining should be offered initially. Because progressive discipline does not make an employee competent, disciplinary steps may have to be skipped should retraining prove ineffective.

III. Behavior:

Conduct inconsistent with the employee's job description, the law, and/or AHS standards and policies.

Disciplinary actions generally follow one of these tracks, although there could be occasions when the offenses cover two or even three tracks.

- A. PROGRESSIVE DISCIPLINE STEPS.** The following are the progressive disciplinary steps; they will be followed where appropriate. The employee may have union representation at each of these steps. The step in the process is determined by factors including but not limited to severity of the offense, impact on patients, other employees and/or operations, date of the last discipline, and other mitigating or aggravating factors.

STEP 1. Reminder One. At this step in the disciplinary process, the employee will be reminded of the policy standard or performance/behavioral expectation and his/her responsibility to meet it. The employee will be asked to make a commitment to correct the issue and once that commitment is made, a memorandum memorializing the meeting and commitment will be prepared and shared with both parties to the conversation. The memorandum will be placed in the employee's personnel file.

STEP 2. Reminder Two. This process is the same as Reminder One.

STEP 3. Decision Making Leave. If the issue persists, another meeting will be held with the employee. He/she will be told of the pending problems that have continued and then be told to take a day off with pay to think whether they could commit to change and continue employment. If, on return, the employee commits in a second meeting, he/she returns to work. If the employee does not commit, he/she resigns, is demoted or terminated after a Skelly hearing.

FINAL STEP. Skelly Process Begins. If after the Decision-Making Leave and commitment, the problem again persists, the employee is sent a Skelly letter as described below and the Skelly process is followed.

B. APPEALS

Reminder Ones and Twos are grievable to the third step.

Terminations and demotions are grievable to as noted below.

- C. RECOMMENDED TERMINATIONS.** A recommended suspension/termination must be served on the employee in person or mailed. The notice should include:
1. A statement of the nature of the disciplinary action.
 2. A statement of the cause of the action.
 3. A statement in ordinary and concise language of the act or omission upon which the action is based.
 4. A statement of the employee's right to respond either orally at a meeting requested by the employee, or in writing and timeframes for responding.
- D. NOTICE OF TERMINATION.** In the event of termination of an employee subject to this Memorandum of Understanding for a cause other than intoxication on the job, gross insubordination, dishonesty, or conviction of a felony which relates to the employee's job, the CNE/Department Manager or Designee shall give to such employee a written notice of termination no less than ten (10) working days prior to the effective date of said termination. In the event, however, that such employee is not on the job on the date he/she would be entitled to such notice, it shall be mailed to him/her on such date. Time spent on the job during such ten (10) day notice period by a probationary employee shall not be counted toward completion of the probationary period. AHS agrees to furnish a copy of any such notice to the Union, unless the employee requests otherwise, but failure to receive such notice shall not invalidate such termination.
- E. SKELLY HEARINGS.** The Union and AHS staff will meet periodically to jointly schedule hearings in advance. Scheduling will be determined by the Union's reasonable estimate of the amount of time it will take to investigate and prepare their case. Hearings will be presided over by one Skelly Officer and shall be conducted on the 2nd and 4th Thursday of each month; hearings outside of this schedule shall be by mutual consent of both parties. Cancellations will only be by mutual consent unless there are emergency circumstances beyond either the Union's or the employee's control. The Skelly officer will make the final determination if a hearing should be rescheduled because of an emergency circumstance or order an alternate remedy. The Union will make reasonable, timely requests for information and AHS will comply in a reasonable, timely manner.

The Union or the employee shall have ten (10) days after receipt of the written Skelly decision in which to submit a written appeal of the discipline. Any appeal shall be to Grievance Procedure, by filing a grievance at the Step 3 level (CEO or designee).

- F. WEINGARTEN RIGHTS.** AHS will perform an investigation of allegations as needed, including Weingarten interviews. AHS shall permit employees to be represented during investigatory meetings consistent with the principles established by the United States Supreme Court in the matter Weingarten vs. NLRB, as modified by the courts and the NLRB.

Failure to Grant Weingarten Rights. If an employee is denied Weingarten Rights during an investigatory meeting, the Employer must hold an additional meeting in which the employee is provided such rights and no disciplinary action shall take place until after the meeting is held.

Placement and Removal of Disciplinary Material in Personnel File.

. No disciplinary material shall be inserted in an employee's personnel file without his/her prior notice. Discipline will be removed from an employee's official personnel file upon request of the employee after three (3) years from the date of the Skelly Decision or Settlement Agreement. All requests must be presented in writing to the CNE/Department Manager or Designee. Provided that no discipline of a similar nature has taken place for 3 years, failure of the Employee to have the discipline removed does not grant permission for AHS to continue to utilize the materials in subsequent actions; materials that are greater than 3 years old are considered stale and unusable. This does not apply to disciplines for patient abuse.

SECTION 48. NO STRIKE, NO LOCKOUT

- A. The Union, its members and representatives, agree that it and they will not engage in, authorize, sanction, or support any strike, slow down, stoppage of work, curtailment of production, concerted refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound) or to perform customary duties; and neither the Union nor any representatives thereof shall engage in job action for the purpose of effecting changes in the directives or decisions of management of AHS, nor to effect a change of personnel or operations of management or of employees not covered by this Memorandum of Understanding.
- B. AHS will not lockout employees during the term of this Memorandum of Understanding.

SECTION 49. SAVINGS CLAUSE

If any provision of this Memorandum of Understanding shall be held invalid by operation of law or by any court of competent jurisdiction, or if compliance with or enforcement of any provision shall be restrained by any tribunal, the remainder of this Memorandum of Understanding shall not be affected thereby, and the parties shall enter into negotiation for the sole purpose of arriving at a mutually satisfactory replacement for such provision.

SECTION 50. SCOPE OF AGREEMENT

Except as otherwise specifically provided herein, this Memorandum of Understanding fully and completely incorporates the understanding of the parties hereto regarding the provisions contained in this Memorandum of Understanding. Neither party shall, during the term of this Memorandum of Understanding, demand any change herein, provided that nothing herein shall prohibit the parties from changing the terms of this Memorandum of Understanding by mutual agreement. This Memorandum of Understanding shall become effective upon the approval of the Board of Trustees and shall remain in full effect to and including June 30th, 2017, except for Section 10. Paid Time Off which shall continue in full effect as provided in subsection 10.M.

SECTION 51. ENACTMENT

It is agreed that the foregoing shall be jointly submitted to the AHS Board of Trustees by the AHS Chief of Human Resources and the Union for the Board's consideration and approval. Upon approval, the provisions of this Memorandum of Understanding shall supersede and control over conflicting or inconsistent provisions of any prior Memoranda of Understanding entered into between the Union and the Alameda Health Services.

SECTION 52. TERM

This Memorandum of Understanding shall become effective upon ratification of the Board of Trustees and the membership of the Union of American Physicians and Dentists.

The term of this Memorandum of Understanding shall be 12:00AM, June 28th, 2017 through 11:59PM, June 30th, 2021.

A “domestic partnership” shall exist between two persons, one of whom is an employee of AHS, covered by this Memorandum of Understanding, regardless of their gender and each of them shall be the “domestic partner” of the other if they both complete, sign, and cause to be filed with AHS an “Affidavit of Domestic Partnership” attesting to the following:

the two parties reside together and share the common necessities of life;

the two parties are: not married to anyone; eighteen years or older; not related by blood closer than would bar marriage in the State of California; and mentally competent to consent to contract;

the two parties declare that they are each other’s sole domestic partner and they are responsible for their common welfare;
