The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF MEMORANDA OF UNDERSTANDING FOR BARGAINING UNITS
REPRESENTED BY THE UNION OF AMERICAN PHYSICIANS AND DENTISTS
(ALL DISTRICTS)
(4-VOTES)**

SUBJECT

Approve the two successor Memoranda of Understanding (MOUs) for bargaining units (BUs) 324 and 325, represented by the Union of American Physicians and Dentists (UAPD).

IT IS RECOMMENDED THAT THE BOARD:

1. Approve the two successor MOUs for a five-year term from October 1, 2022, to September 30, 2027, for the following BUs:

324 - Physicians and Veterinarians

325 - Mental Health Psychiatrists and Dental Professionals

2. Delegate authority to execute the two MOUs on behalf of the County, to the Chief Executive Officer.

3. Instruct the Auditor-Controller to make all the necessary payroll system changes to implement the recommendations.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

After a protracted two-year negotiation with UAPD, the parties reached an agreement in May 2024. This letter seeks your Board's approval to ratify the terms and conditions of these contracts for five years retroactive to October 1, 2022, with a limited reopener to assess recruitment efforts in specific classifications. In addition to the economic enhancements, these contracts include entry into the 401K Savings Plan, with no match, for members of BUs 324 and 325 by January 1, 2026. The contract also provides short-term disability coverage in place of part-pay sick leave for members of BU 324. BU 325 rejected the County proposal on short-term disability and elected to keep part-pay sick leave for their members.

The terms of these agreements reflect the needs and demands of the members and also address, recruitment and retention concerns of the involved County departments. Specifically, bonuses and salary scale adjustments were made to address ongoing recruitment and retention challenges faced by the County in various job classifications. Significant efforts were made in bargaining to address vacancy issues in Animal Care and Control, Medical Examiner, and the Health departments. All department heads were consulted to determine the needs and challenges of their departments and the impact of the increases on their departmental budgets.

Implementation of Strategic Plan Goals

The actions recommended in this Board letter promote the County's Strategic Plan Goal of Fiscal Sustainability by providing a wage and benefit structure that is financially responsible.

FISCAL IMPACT/FINANCING

The provisions of the successor MOUs have been ratified by their respective unions and are within the parameters established by the Board of Supervisors. The successor MOUs provide for increases to all members for cost of living and also address inequities as well as closing the gap between non-MegaFlex physicians and grandfathered members who have the MegaFlex benefit plan. Some BU members will receive additional special bonuses based on specific shifts or locations assignments.

The total cost resulting from the successor MOUs is partially offset by subvention funding from federal and State programs and the remaining amount will be funded with Net County Cost (NCC). The required NCC funding is included in the Fiscal Year (FY) 2024-25 Recommended Budget and will be requested in future years' budgets, as necessary.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The successor MOUs establish a new five-year term and a 5.5% (22 levels) salary increase effective October 1, 2022, a 3.25% (13 levels) salary increase effective October 1, 2023, and a 3.25% (13 levels) salary increase effective October 1, 2024. The 2022 and 2023 salary increases will be paid retroactively.

Economic enhancements to these bargaining units include inequity adjustments to the Physician Plan Salary Schedule in 23 different specialties, salary schedule adjustments for other classifications, step accelerators for different specialties, new bonuses, and incremental increases in several existing bonuses, including an annual \$14,000 non-MegaFlex Bonus for members who are not part of the MegaFlex plan. We believe the compensation provided in these MOUs reflects

targeted recruitment strategies to ensure Health Services, Mental Health, and Public Health can recruit and retain much-needed clinical employees.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of these recommendations promotes positive labor relations and assists departments with recruitment and retention efforts, contributing to effective and efficient service delivery of critical services to the communities served.

Respectfully submitted,

Regular monthly County salary under the old Physician Pay Plan (Schedule P), exclusive of any bonus for board certification in a medical specialty or special rate received pursuant to Section 6.10.150 C of the County Code.

Management shall provide supplies/equipment to ensure implementation of universal precautions as recommended by Centers for Disease Control (CDC).

Management will create, at each department or facility, policies which delineate reasonable care in the event an employee is exposed to a communicable disease or hazardous substance on the job. Such policies will be consistent with local, state, and federal health and safety regulations and guidelines. In the event of a public health emergency for which safety standards are not established, DPH will ensure multi-disciplinary experts assist the incident command safety officer in the development of the safety plan and its communication to members. DPH will consult with the union during the development of the standards.

Further, in the event an employee is exposed to any infectious/communicable disease or hazardous condition and develops a condition as a direct result of that exposure, the County will be liable under applicable Workers' Compensation laws.

 return the employee to an assignment in their own class.

2. If such return is made within 30 days of the request for relief, no bonus under this Article is to be paid; or

 pay the employee the bonus. The bonus is paid from the date of request for relief, and terminates when the conditions of this Article are no longer met.

3. This bonus is not applicable to persons employed on a temporary, recurrent, or less than full-time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3. Special Provisions

However, such assignment shall not extend beyond the period of such emergency.

Nothing in this Article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated administrative classification work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training. - D. Upon the employee's written request, a written confirmation of their out-of-class assignment shall be placed in the employee's personnel file after completion of the out-of-class assignment. A copy will be provided to the employee.

ARTICLE 14 PERSONNEL FILES

An employee, or their certified representative, with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that the employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental management regarding their work performance or conduct if such statement is to be placed in their personnel file. Prior to its placement in the personnel file, the employee shall acknowledge that they have read such material by affixing their signature on the copy to be filed, with the understanding that such signature merely signifies that they have read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note their refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign. The employee will be given a copy of any material to be placed in their personnel file, prior to its placement in the file.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document would not be placed in the official file until the grievance procedure or civil service appeal rights have been exhausted.

Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this Memorandum of Understanding. Within thirty (30) days of their knowledge of a written statement regarding employee performance or conduct, the employee is entitled to place a written statement in their file stating reasons for disagreement with the written statement. Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing their personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in their personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope, it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdictions." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

An employee on reviewing their personnel file, may request and shall have any written warnings or reprimand(s) issued more than two (2) years prior removed from their personnel file except as such may be a part of an official permanent record.

The annual performance evaluation must be prepared and signed by a County employed management physician. All disciplinary actions taken against a physician must be reviewed and approved by a County-employed management physician.

ARTICLE 15 TRANSFERSSection 1.

Any employee covered herein may submit a written request for transfer within their own department and have their name placed on a list to be kept by the manager of the work location to which the employee is requesting a transfer.

Management agrees to consider employees' requests for transfer at the time vacancies are to be filled. Employees wishing to transfer will forward to Management, a written request indicating their desire for a transfer, the reason for the request, and a resume of their training and experience.

These written requests will be maintained in an active file within the appropriate office to which it was sent for a period not to exceed six (6) months. Employees desiring to keep their individual request active beyond the above time limit must submit a new written request.

If the employee has been rated competent or better on their last performance evaluation and meets the official posted qualifications for the position, Management shall give serious consideration to their transfer request. However, this Article in no way is intended to limit Management's authority to make assignments.

Section 2. Management-Initiated Transfer

When it becomes necessary to transfer an employee on an involuntary basis, the department will make every effort to give the employee at least ten (10) business days' written notice.

In the event of an involuntary transfer, Management will consider several factors, such as the employees' seniority, experience, geographic location, academic training and skills, and operational needs.

ARTICLE 16 GRIEVANCE PROCEDURE

Section 1. Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance.

Section 2. Definitions

1. Wherever used, the term “employee” means either employee or employees as appropriate.

2. “Grievance” means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and their immediate supervisor.

3. “Business Days” mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3. Responsibilities

1. UAPD agrees to encourage an employee to discuss their complaint with their immediate supervisor. The immediate supervisor will, upon request of an employee, discuss the employee’s complaint with them at a mutually satisfactory time.

2. Departmental management has the responsibility to:
 - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and
 - B. Supply the employee with the necessary information to process their grievance to the proper agency or authority.
3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the provision(s) violated, and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Step 1, of this grievance procedure.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived, or extended by mutual agreement confirmed in writing.

3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

1. The employee has the right to the assistance of a representative in the preparation of their written grievance, and to represent the employee in formal grievance meetings. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
2. A County employee selected as a representative in a grievance is required to obtain the permission of their immediate supervisor to be absent from their duties to attend a grievance meeting. The employee representative shall give their supervisor reasonable advance notice to ensure that their absence will not unduly interfere with departmental operations.

An employee may present their grievance to Management on County time. In scheduling the time, place, and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose their rights because of Management imposed limitations in scheduling meetings.

Section 6. The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.
3. Management shall notify UAPD of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The UAPD representative has the right to be present at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of this Memorandum of Understanding.
5. If the UAPD representative elects to attend any formal grievance meeting, they must inform departmental management prior to such meeting. The department may also designate a Management representative to be present at such meeting.
6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant.

Such witnesses may attend formal grievance hearings on paid County time.

Section 7. ProceduresStep 1. Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from their knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance, and the remedy requested from their departmental management. The employee shall submit the original and one copy to their immediate supervisor and retain the third copy.
- B. Within ten (10) business days, the immediate supervisor shall give their decision in writing to the employee on the original copy of the grievance.

Step 2. Middle Management

- A. Within ten (10) business days from the employees' receipt of the supervisor's or their designated representative's, written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's department head. The department head has the authority to waive the middle management step if such a step is not appropriate because of the size of their department.

The middle Management representative, or their designated representative, shall discuss the grievance with the supervisor concerned and the employee before a decision is reached.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative, or their designated representative, shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Step 3. Department Head

- A. Within ten (10) business days from the employees receipt of the decision resulting from the previous step, the employee may appeal to the Department Head, or their designated representative using the original copy of the grievance.
- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or their designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous step in the procedure. Upon request, a copy of the decision will be given to the Union representative.
- C. If the Department Head or their designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the terms and conditions of employment between the parties to arbitration.

- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or their designated representative shall be final.

Section 8. Arbitration

1. Within thirty (30) business days from the receipt of the written decision of the department head or their designated representative, UAPD may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in their discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations

may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination; nor

- C. The interpretation, application, merits or legality of the rules or regulations of the department head, the Chief Executive Office, or any other County department, agency, or commission, unless the arbitrator, in their discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
3. In the event UAPD desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.

4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.
5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.
7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

Purpose

Recognition

Non-Discrimination

Implementation

Safety and Health

Payroll Deductions and Dues

Authorized Agents

Provisions of Law

ARTICLE 17 GRIEVANCE GENERAL-IN-CHARACTER

In order to provide an effective mechanism whereby disagreements between UAPD and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where UAPD has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, UAPD may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the department heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within five (5) business days of such meeting, and in the event the matter is not satisfactorily resolved, UAPD shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County department heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or their authorized representative.

- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to UAPD in writing, setting forth Management's decision and reasons, therefore.

- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 16, the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 16 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 16 of this Memorandum of Understanding. Instead, this Article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the Unit as distinguished from the rights of individual employees.

Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 16 hereof.

ARTICLE 18 STEWARDS

It is agreed by the parties of this Memorandum of Understanding that UAPD may select a reasonable number of stewards for this Unit. UAPD shall give to each department head a written list of employees from their department who have been selected as stewards. This list shall be kept current by UAPD.

Stewards may spend a reasonable amount of time to promptly and expeditiously investigate and process formal grievances without loss of pay or benefits of any kind. Stewards, when leaving their work locations to transact such investigations or processing shall first obtain permission from their immediate supervisor and inform the supervisor of the nature of the business. Permission to leave will be granted promptly unless such absence would cause an undue interruption of work. Except, however, denial of permission will automatically constitute an extension of the time equal to the amount of the delay. If such permission cannot be granted promptly, the steward will be immediately informed when time will be made available. Such time will not be more than 24 hours, excluding Saturdays, Sundays, and holidays, after the time of the steward's request unless otherwise mutually agreed to.

Upon entering a work location, the steward shall inform the supervisor of the nature of the steward's business.

Permission to leave the job will be granted promptly to the employee involved unless such absence would cause an undue interruption of work. Except, however, denial of permission will automatically constitute an extension of the time equal to the amount of the delay. If the employee cannot be made available, the steward will be immediately informed when the employee will be made available. Such time will not be more than 24 hours, excluding Saturdays, Sundays, and holidays, after the time of the steward's request, unless otherwise mutually agreed to.

UAPD agrees that a steward shall not log compensatory time or premium pay time for the time spent performing any function of a steward.

Management will make every reasonable effort not to reassign a steward if there is any other employee in the same classification who meets the specific qualifications of the vacancy.

ARTICLE 19 EMPLOYEE PAYCHECK ERRORSSection 1. Underpayments

If an underpayment of 10% of base monthly pay (5% of base monthly pay if paid twice a month) or \$100, whichever is least, occurs in an employee's paycheck, a paycheck correction may be requested. Management will rectify the underpayment within three (3) calendar days, exclusive of Saturdays, Sundays, and legal holidays, after receipt by the Auditor-Controller of a written request from the affected employee's departmental payroll section. An affected employee's departmental payroll section shall promptly forward a written request for a corrected or supplemental pay warrant for the affected employee to the Auditor-Controller. Within Department of Health Services, the written request for a corrected or supplemental pay warrant will be forwarded to the Auditor-Controller within one (1) calendar day, with a copy to the employee. It is understood that said one (1) calendar day time frame shall begin only after the employee and the appropriate payroll representative mutually agree on the error and all necessary documents to correct the pay error have been prepared and submitted to the departmental payroll section for submission to the Auditor-Controller.

An employee shall be deemed to have waived the above indicated time limits, and to have indicated that he is willing to accept an adjustment on the following payroll warrant if he does not request a corrected or supplemental warrant within two (2) calendar days after receipt of the regular payroll warrant, exclusive of Saturdays, Sundays, and legal holidays.

Corrected or supplemental warrants will be sent by regular County messenger service to the employee's departmental payroll section. In emergencies, the departmental payroll section will arrange to have the supplemental or corrected warrant either hand delivered to the employee or picked up by the employee at the Auditor's public counter.

The provisions of this section may be implemented even if the employee cashes the payroll warrant.

Section 2. Overpayments

Management will endeavor to notify the affected employee of an overpayment on the employee's payroll warrant(s) prior to making any deduction to recover any such overpayment from the employee's subsequent payroll warrant(s). Upon request by the affected employee, Management will establish a reasonable method of repayment.

County agrees to determine the feasibility of having an affected employee repay an overpayment with accumulated benefits that the employee would be entitled to a termination of employment. County agrees to consult with the Union on this issue within ninety (90) days after implementation of this Memorandum of Understanding, in accordance with the Employee Relations Ordinance [5.040.090 (A)].

Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller. Such recovery shall not exceed 15% per month of disposable income (as defined by State law), except, however, that a mutually agreed upon acceleration provision may permit faster recovery.

Section 3. Grievances

Any grievances regarding this Article shall be processed beginning with Step 3 of the Grievance Procedure.

Section 4. Notice

In the event an employee incurs a significant underpayment in their payroll warrant, and it is determined that the underpayment is due to an error on the part of the County, Management agrees, upon a formal written request from the employee, to provide a standardized letter that states the reason(s) the affected employee's payment was incorrect.

Section 5. Garnishments

Management shall notify the affected employee of a garnishment of wages and the amount or percentage to be garnished promptly upon receipt by the County of an order to garnish.

ARTICLE 20 PAYROLL DEDUCTIONS AND DUES/AGENCY SHOPSection 1. Deductions and Dues

Management agrees to honor all authorizations for payroll deduction of union dues payments to the Union and to remit such payments to the Unions within thirty (30) business days after the conclusion of the month in which said dues and deductions were deducted pursuant to such authorization. Authorized deductions shall be revocable in accordance with lawful terms under which an employee voluntarily authorized said deductions. Any employee inquiries to cancel or change deductions shall be referred to the Union.

The Union hereby certified that each employee has signed a written authorization which authorizes the Union to request that Management deduct from their salary or wages the amount specified by the Union. The Union has and will maintain an authorization on behalf of each such employee.

Section 2. Security Clause

Any employee in this Unit who has authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of any year; provided, however, that any employee in the Unit may terminate such Union dues during the period of March 1 through March 15 each year of the contract by notifying the Union of their termination of Union dues deduction.

Such notification shall be by mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be canceled.

The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 3. List of New Employees/Separations

The County will furnish the Union with a monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying the documents. The list shall contain the name, date of hire into the Unit, salary, classification, and work location of all employees who enter the Bargaining Unit and are subject to this agreement. Such list shall include new hires, returnees from unpaid leaves, and employees promoted, demoted, or transferred into the Bargaining Unit.

The monthly list shall also contain information which includes the names and effective dates of employees leaving this Bargaining Unit.

Section 4. Indemnification Clause

The Union understands and acknowledges that Management will rely upon the foregoing representations in making deductions, in the amounts specified by the Union from salaries/wages of individual employees whose name(s) are presented for deductions and that the employer shall not be required to make further investigation or inquiry regarding the accuracy of those representations prior to making such deductions.

The Union agrees to indemnify and hold the County of Los Angeles harmless from any liabilities of any nature which may arise as a result of the application of the Article of this Memorandum of Understanding.

ARTICLE 21 CONTINUING MEDICAL EDUCATIONSection 1. Physician Continuing Medical Education

The purpose of Continuing Medical Education is to increase the skills and effectiveness of members of this Bargaining Unit. It is the policy of the County to support physicians in pursuing education in order to promote and encourage the meeting of licensure requirements and the upgrading of skills and knowledge for the effective delivery of medical services.

Full time, permanent, physician employees are allowed ten (10) days or eighty (80) hours per calendar year for approved continuing education purposes. Continuing education provided by County departments shall not count towards these ten (10) days or eighty (80) hours per year. Up to ten (10) days or eighty (80) hours may be home study.

ARTICLE 34 FULL UNDERSTANDING, MODIFICATION, WAIVERSection 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement, it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such changes, it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on employees in the Unit.

The phrase “significantly large number” shall mean (a) a majority of the employees in the Unit, (b) all the employees within a Department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Physician Specialist, MD.

ARTICLE 35 PHYSICIAN REGISTRYSection 1.

The County finds that there is a need for flexibility in physician staffing to meet changing patient census numbers, and requirements for specialty services. This need has typically been met through contract physician registries. To determine whether it is more cost-effective to provide supplemental services using County physicians, the parties agree to create a pilot Physician Registry composed of members of this bargaining unit.

Each County department wishing to participate in the registry shall designate a coordinator for the Physician Registry. Employees in this bargaining unit who elect to join the departmental Physician Registry will notify the coordinator of their interest and provide their availability for work on a monthly basis.

Physicians will not be eligible for registry work during a workweek in which they have taken time off without pay or taken exempt leave (019 time).

Full-time permanent County employees on the registry will be placed on an additional temporary position pursuant to Section 6.16.010 of the County Code. Supplemental temporary work on the additional position may not exceed 24 hours in any one calendar week, per existing restrictions on outside employment.

Compensation for the additional temporary position shall be 135% of the physician's normal base hourly wage. The secondary position will be without benefits of any kind.

If the CEO determines that there is a shortage of physicians within one of the specialties identified in the physician pay plan, the hourly rate may be adjusted.

Part-time temporary employees who do not hold another County position may elect to be paid at the higher hourly rate for their specialty if they agree to forego all benefits. Otherwise, they will be paid at the established hourly rate for their specialty.

The parties agree to conduct a study of the effectiveness of the physician registry pilot to determine if the physician registry compensation rates were successful in addressing the operational needs for flexible physician services at a lower cost than contract registries.

Factors to be considered in determining the efficacy of the physician registry, include, but are not limited to the County educating management personnel and the Union educating its membership; in addition to the semi-annual surveying of managers and employees (said survey is to be jointly developed).

Should the study demonstrate that the physician registry compensation rates fail to successfully help in addressing the operational needs for flexible physician services at a lower cost than contract registries, the parties agree to meet to discuss the feasibility of changing the physician registry compensation rates.

This article will expire on September 30, 2027. It may be renewed by mutual consent.

The secondary position shall be without benefits of any kind.

The middle management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached.

- B. Within ten (10) business days from receipt of the grievance, the middle management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

- B. Within ten (10) business days from the receipt of the employee's grievance, the department head or their designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee. However, the department head or designate is not limited to denying a grievance for the reasons stated at any previous step in the procedure. Upon request, a copy of the decision will be given to the Union representative.
- C. If the Department Head or their designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.

- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the department head or their designated representative shall be final.

Section 8. Arbitration

1. Within thirty (30) business days from the receipt of the written decision of the department head, or their designated representative, UAPD, may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in their discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established

procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the department head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in their discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986.
3. In the event UAPD desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected.

The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.

4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.
5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be

determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

ARTICLE 18 GRIEVANCES - GENERAL-IN-CHARACTER

In order to provide an effective mechanism whereby disagreements between UAPD and Management concerning the interpretation or applicable of any of the provision of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from its knowledge of such an occurrence where the Union has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, the Union may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the department heads involved and to the Chief Executive Officer. Such written request shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten business days of such meeting, and in the event the matter is not satisfactorily resolved; the Union shall have the right to meet with the principal representative(s) of the County who have authority to resolve the matter.

For purposes of this provision, Management's principal representative(s) shall mean the County department heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or their authorized representative.

- C. Within ten (10) business days from receipt of Management's written decision if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8 of Article 14, (Grievance Procedure) the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 14 (Grievance Procedure) of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 14 (Grievance Procedure) of this Memorandum of Understanding. Instead, this Article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the applications of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in this unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 14 (Grievance Procedure) hereof.

ARTICLE 19 STEWARDS

It is agreed by the parties of the Memorandum of Understanding that UAPD may select a reasonable number of stewards for this Unit. UAPD shall give to the department head a written list of employees from their department who have been selected as stewards. This list shall be kept current by UAPD.

Stewards may spend a reasonable amount of time to promptly and expeditiously investigate and process formal grievances without loss of pay or benefits of any kind. Stewards, when leaving their work locations to transact such investigations or processing shall first obtain permission from their immediate supervisor and inform the supervisor of the nature of the business. Permission to leave will be granted promptly unless such absences would cause an undue interruption of work. Except, however, denial of permission will automatically constitute an extension of the time equal to the amount of the delay. If such permission cannot be granted promptly the steward will be immediately informed when time will be made available. Such time will not be more than 24 hours, excluding Saturday, Sunday, and holidays, after the time of the steward's request unless otherwise mutually agreed to.

Upon entering a work location, the steward shall inform the cognizant supervisor of the nature of the steward's business. Permission to leave the job will be granted promptly to the employee involved unless such absence would cause an undo interruption of work.

Except, however, denial of permission will automatically constitute an extension of the time equal to the amount of delay. If the employee cannot be made available, the steward will be immediately informed when the employee will be made available. Such time will not be more than 24 hours, excluding Saturday, Sunday and holidays after the time of the steward's request, unless otherwise agreed to.

The UAPD agrees that a steward shall not log compensatory time or premium pay time for their time spent performing any function of a steward.

Management will make every reasonable effort not to reassign a steward if there is any other employee in the same classification who meets the specific qualifications of the vacancy.

ARTICLE 20 PAYCHECK ERRORSSection 1. Underpayments

If an underpayment of 10% of base monthly pay (5% of base monthly pay if paid twice a month) or \$100, whichever is least, occurs in an employee's paycheck, a paycheck correction may be requested. Management will rectify the underpayment within three (3) calendar days, exclusive of Saturdays, Sundays, and legal holidays, after receipt by the Auditor-Controller of a written request from the affected employee's departmental payroll section. An affected employee's departmental payroll section shall promptly forward a written request for a corrected or supplemental pay warrant for the affected employee to the Auditor-Controller.

An employee shall be deemed to have waived the above indicated time limits, and to have indicated that he is willing to accept an adjustment on the following payroll warrant if he does not request a corrected or supplemental warrant within two calendar days after receipt of the regular payroll warrant, exclusive of Saturdays, Sundays, and legal holidays.

Corrected or supplemental warrants will be sent by regular County messenger service to the employee's departmental payroll section. In emergencies the departmental payroll section will arrange to have the supplemental or corrected warrant either hand delivered to the employee or picked up by the employee at the Auditor's public counter.

The provisions of this section may be implemented even if the employee cashes the payroll warrant.

Section 2. Overpayments

Management will notify the affected employee of an overpayment on the employee's payroll warrant(s) prior to making any deduction to recover any such overpayment from the employee's subsequent payroll warrant(s). Upon request by the affected employee, Management will establish a reasonable method of repayment.

County agrees to determine the feasibility of having an affected employee repay an overpayment with accumulated benefits that the employee would be entitled to a termination of employment. County agrees to consult with the Union on this issue within 90 days after implementation of this MOU, in accordance with the Employee Relations Ordinance [5.050.090) (A)].

Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller. Such recovery shall not exceed 15% per month of disposable income (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

Section 3. Grievances

Any grievances regarding this Article shall be processed beginning with Step 3 of the Grievance Procedure.

Section 4. Notice

In the event an employee incurs a significant underpayment in their payroll warrant, and it is determined that the underpayment is due to an error on the part of the County, Management agrees, upon formal written request from the employee, to provide a standardized letter that states the reason(s) the affected employee's payment was incorrect.

Section 5. Garnishments

Management shall notify the affected employee of a garnishment of wages and the amount or percentage to be garnished promptly upon receipt by the County of an order to garnish.

ARTICLE 21 PAYROLL DEDUCTIONS AND DUESSection 1. Deductions and Dues

Management agrees to honor all authorizations for payroll deduction of Union dues payments to the Union and to remit such payments to the Unions within thirty (30) business days after the conclusion of the month in which said dues and deductions were deducted pursuant to such authorization. Authorized deductions shall be revocable in accordance with the lawful terms under which an employee voluntarily authorized said deductions. Any employee inquiries to cancel or change deductions shall be referred to the Union.

The Union hereby certifies that each employee whose name is presented for deductions has signed a written authorization which authorizes the Union to request that management deduct from their salary or wages the amount specified by the Union. The Union has and will maintain an authorization on behalf of each such employee.

Section 2. Security Clause

Any employees in this Unit who have authorized UAPD dues deductions on the effective date of this agreement or at any time subsequent to the effective date of this agreement shall continue to have such dues deduction made by the County during the term of this agreement; provided, however, that any employee in this Unit may terminate such UAPD dues during the period of March 1 through March 15 of any year, by notifying the UAPD of their termination of UAPD dues deduction.

Such notification shall be by mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of UAPD from which dues deductions are to be canceled.

The UAPD will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within 10 business days after the close of the withdrawal period.

Section 3. List of New Employees/Separations

Upon payment of initial programming costs and monthly maintenance cost as determined by the Auditor-Controller, Management shall provide the Union with access to employee lists via Internet on a monthly basis. The Auditor-Controller will furnish UAPD with a monthly list of employees in the Bargaining Unit. The employee list shall contain the name, employee number, classification title, item number, item sub, item step salary rate, department, time base, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding.

Management will make available to each new employee entering the Unit a card furnished by UAPD explaining to the employee the status of UAPD as the certified majority representative for employee in the unit as follows:

UAPD has been certified as your majority representative. UAPD is certified to represent you in negotiations with the County on salaries, hours of work, and conditions of employment. If you want information, or if you wish to join UAPD, call (310) 398-4038 or your Grievance Committee person where you work.

The Union understands and acknowledges that Management will rely upon the foregoing representations in making deductions, in the amounts specified by the Union from salaries/wages of individual employees whose name(s) are presented for deductions and that the employer shall not be required to make further investigation or inquiry regarding the accuracy of those representations prior to making such deductions.

The Union agrees to indemnify and hold the County of Los Angeles harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.

It is recognized that during the term of this agreement, it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change, it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase A significantly large number shall mean (a) a majority of the employees in the Unit, (b) all the employees within a Department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Mental Health Psychiatrist.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved, and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for their resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such changes as soon as practicable. Such emergency assignments shall not extend beyond the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

The waiver of any breach, term, or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 31 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a Department's Request for Proposal is approved by the Chief Executive Officer, the Labor Relations Office will arrange to meet with representatives of the Union to advise them of this action within five (5) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement. Management acknowledges an obligation to negotiate the impact on wages, hours, and working conditions of the employees in this bargaining unit insofar as such subjects have not already been negotiated.

ARTICLE 32 AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A. Management's principal authorized agent shall be County's Chief Executive Officer, or their duly authorized representative (Address: 222 North Grand Avenue, Los Angeles, CA 90012); Telephone: (213) 974-4029, except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.

- B. The Union of American Physicians & Dentists' principal authorized agent shall be the Regional Administrator or their duly authorized representative (Address: 316 West 2nd Street, Suite 500, Los Angeles, CA 90012); Telephone: (310) 398-4038; Facsimile: (310) 398-6427.

ARTICLE 33PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles; and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules, or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part of provision shall be suspended and superseded by such applicable law, regulations or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 34MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any County department during the term of this agreement; however, management shall at the earliest time possible meet and confer with the union on the impact of any decision to reorganize when such issues are not covered by Civil Service Rules or Memorandum of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 35 DENTAL REGISTRY

The County finds that there is a need for flexibility in staffing to meet changing patient census numbers, and requirements for specialty services. This need has typically been met through contract registries. To determine whether it is more cost-effective to provide supplemental services using County dentists, the parties agree to create a pilot Dental Registry composed of members of this bargaining unit.

Each County department wishing to participate in the registry shall designate a coordinator for the Dental Registry. Employees in this bargaining unit who elect to join the departmental Dental Registry will notify the coordinator of their interest and provide him/her with their availability for work on a monthly basis.

Dentists will not be eligible for registry work during a workweek in which they have taken time off without pay or taken exempt leave (019 time).

Full-time permanent County employees on the registry will be placed on an additional temporary position pursuant to Section 6.16.010 of the County Code. Supplemental temporary work on the additional position may not exceed 24 hours in any one calendar week, per existing restrictions on outside employment.

Compensation for the additional temporary position shall be 135% of the employee's normal base hourly wage. Hourly rates will be capped at 75% of the top tier rate for contractors in that dental specialty, or 110% of the dentist's normal base hourly wage, whichever is greater. This will be the total compensation for the temporary position. The secondary position will be without benefits of any kind.

If the CEO determines that there is a shortage of dentists within one of the dental specialties, the hourly rate may be adjusted.

Part-time temporary employees who do not hold another County position may elect to be paid at the higher hourly rate for their specialty if they agree to forego all benefits. Otherwise, they will be paid at the established hourly rate for their specialty.

The parties agree to conduct a study of the pilot to determine if the registry was successful in addressing the need for flexible dental services at a lower cost than contract registries.

ARTICLE 36 DIGNITY AND PROFESSIONALISM IN THE WORKPLACE

UAPD and management are committed to working together to ensure a healthy and professional work environment free from emotional and psychological abuse and intimidation and to promote dignity for all workforce members. Labor and management are committed to working together to address complaints of intimidation and other forms of emotional and psychological abuse in the workplace in a timely manner.

ARTICLE 37 PROFESSIONAL JUDGMENT

Management will make a reasonable effort to ensure that Unit 325 employees shall not practice, nor shall they be required to practice, in any manner which places their professional license(s) in jeopardy.

This article shall not be subject to the grievance and arbitration provisions of this MOU.

ARTICLE 38 PSYCHIATRY REGISTRY

The County finds that there is a need for flexibility in staffing to meet changing patient census numbers, and requirements for specialty services. This need has typically been met through contract registries. To determine whether it is more cost-effective to provide supplemental services using County Psychiatrists, the parties agree to create a Psychiatry Registry composed of members of this bargaining unit.

Each County department wishing to participate in the registry shall designate a coordinator for the Psychiatry Registry. Employees in this bargaining unit who elect to join the departmental Psychiatry Registry will notify the coordinator of their interests and provide him or her with their availability for work monthly. It is the Psychiatrist responsibility to apply for the Psychiatry Registry item.

Mental Health Psychiatrists will not be eligible for registry work during a workweek in which they have taken time off without pay or taken exempt leave (019 time).

Full-time permanent County employees on the registry will be placed on an additional temporary position pursuant to Section 6.16.010 of the County Code. Supplemental temporary work on the additional position may not exceed 24 hours in any one calendar week, per existing restrictions on outside employment.

Compensation for the additional temporary position shall be a rate of \$232.93 per hour. Should the County and UAPD agree upon cost-of-living adjustments during the term of this contract; said adjustments shall also be applied to the aforementioned rate. The secondary position will be without benefits of any kind.

If the CEO determines that there is a shortage of Mental Health Psychiatrists, the hourly rate may be adjusted.

Part-time, temporary, employees who do not hold another County position may elect to be paid at the higher hourly rate of \$258.82 per hour if they agree to forego all benefits. Should the County and UAPD agree upon cost-of-living adjustments during the term of this contract; said adjustment shall also be applied to the aforementioned rate. Otherwise, they will be paid at the established hourly rate for full-time permanent County employees.

The County agrees to give, eligible, full-time permanent bargaining unit members priority consideration in covering available shifts, based upon their qualifications, as determined by Management.

Management will consider several factors when determining a Psychiatrist's qualifications, such as operational needs, the Psychiatrist's seniority, academic training, and skills.

The parties agree to conduct a study of the pilot to determine if the registry was successful in addressing the need for flexible Psychiatry services at a lower cost than contract registries.

This article will expire on September 30, 2027. It may be renewed by mutual consent.

ARTICLE 39 DMH PROVIDER SERVICE IMPROVEMENT PROJECTS

The Department of Mental health agrees to pay the sum of \$500,000, to the Union of American Physicians and Dentist (UAPD) during the term of this contract for the sole purpose of funding Provider Service Improvement Projects (i.e., Provider care enhancements).

The Department of Mental Health agrees to make an initial lump sum payment of \$200,000 to UAPD covering the 2024-2025 fiscal year within 60 days of Board adoption of this MOU and the subsequent payments of \$150,000, by the 30th calendar day following the start of the 2025-2026 and 2026-2027 fiscal years. UAPD shall accept fiduciary responsibility over these funds in compliance with relevant accounting standards. The County and DMH shall have no responsibility or liability for the administration of this benefit. An itemized financial statement addressing the sums set forth above, as well as a report of the corresponding Provider Service activities shall be provided by UAPD to the Department of Mental Health upon request.

All funds must be spent in the fiscal year of allocation. All funds not expended in the fiscal year of allocation shall be returned by UAPD and paid back to the Department of Mental Health. UAPD agrees to make payments of any remaining funds to the Department of Mental Health by the 10th business day following the end of the applicable fiscal year in which the funds were allocated.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Memorandum of Understanding the day, month and year first above written.
