However, with the mutual consent of the parties, the time limitation for any step may be extended.

### **6.4 Waiver of Steps**

The parties may mutually agree to waive any step of the grievance procedure. The parties may consolidate grievances at any level which address similar issues.

### **6.5 Presentation**

At any step of the grievance procedure, the State representative may determine it desirable to hold a grievance conference. If a grievance conference is scheduled, the grievant, UAPD steward and mutually agreed upon witnesses may attend without loss of compensation. The grievant may have a reasonable amount of time to prepare for the presentation. If the grievant or UAPD requested and was not provided a grievance conference at either the first or second level of the procedure, he/she will be provided a grievance conference at the third level if requested. A grievance conference may be held in person, via teleconference or via video conference upon mutual agreement between both the State Representative and the grievant or UAPD.

### **6.6 Informal Discussion**

An employee grievance initially shall be discussed with the employee's immediate supervisor. Within seven (7) calendar days, the immediate supervisor shall give his/her decision or response.

### **6.7 Formal Grievance Step 1**

- A. If an informal grievance is not resolved to the satisfaction of the grievant, a formal grievance may be filed no later than:
  1. Twenty-one (21) calendar days after the event or discovery of the event occasioning the grievance; or
  2. Within fourteen (14) calendar days after receipt of the decision rendered in the informal grievance procedure.

- B. However, if the informal grievance procedure is not initiated within the period specified in Item (1) above, the period in which to bring the grievance shall not be extended by Item (2) above.
- C. A formal grievance shall be initiated in writing on a form provided by the State and shall be filed with a designated supervisor or manager identified by each department head as the first level of appeal.
- D. Within twenty-one (21) calendar days after receipt of the formal grievance, the person designated by the department head as the first level of appeal shall respond in writing to the grievance.
- E. No contract interpretation or grievance settlement made at this stage of the grievance procedure shall be considered precedential.

### **6.8 Formal Grievance Step 2**

- A. If the grievant is not satisfied with the decision rendered pursuant to Step 1, the grievant may appeal the decision within twenty-one (21) calendar days after receipt to a designated supervisor or manager identified by each department head as the second level of appeal.
- B. Within twenty-one (21) calendar days after receipt of the appealed grievance, the person designated by the department head as the second level of appeal shall respond in writing to the grievance.
- C. No contract interpretation or grievance settlement made at this stage of the grievance procedure shall be considered precedential.

### **6.9 Formal Grievance Step 3**

- B. Within thirty (30) calendar days after receipt of the appealed grievance, the Director of the CalHR or designee shall respond in writing to the grievance.

### **6.10 Response**

If the State fails to respond to a grievance within the time limits specified for that step, the grievant shall have the right to appeal to the next step.

- B. UAPD shall advance the grievance to arbitration by sending a timely request to arbitrate the dispute to the assigned CalHR Labor Relations Officer.
- C. CalHR shall have 45 calendar days to review the file prior to commencing the selection of an arbitrator. After the 45 calendar days, the parties shall have 15 calendar days in which to mutually agree upon the selection of the arbitrator. If no agreement is reached on the selection of an arbitrator, either party may submit a request to the State Conciliation and Mediation Service or the Federal Mediation and Conciliation Service to submit to them a panel of five (5) arbitrators from which the State and UAPD shall alternately strike names until one name remains and this person shall be the arbitrator.  
  
A copy of the request must be copied "cc'd" to the non-requesting party representative.
- D. The cost of arbitration shall be borne equally between the parties.
- E. An arbitrator may, upon request of UAPD and the State, issue his/her decision, opinion or award orally upon submission of the arbitration. Either party may request that the arbitrator put his/her decision, opinion, or award in writing and that a copy be provided.
- F. The arbitrator shall not have the power to add to, subtract from, or modify this Agreement. Only grievances as defined in Section 6.2(A) of this Article shall be subject to arbitration. The award of the arbitrator shall be final and binding upon the parties.
- G. Arbitration awards affecting classes of employees shall, be prospectively only from the date of filing of the grievance, if the award requires the payment of State funds.

If management proposes to change the flexible or alternate work schedule of an entire BU16 classification in a worksite/facility, a meet and confer notification will be sent to UAPD thirty (30) days before the proposed change. The notice will include the specific details for the reason(s) for the proposed change.

**ARTICLE 9 - LEAVES**

**9.1 Vacation Leave**

On the first day of the monthly pay period following completion of six (6) qualifying monthly pay periods of continuous service, all full-time employees covered by this Section shall receive a one-time vacation bonus of 42 hours of vacation credit. Thereafter, for each additional qualifying monthly pay period, the employee shall be allowed credit for vacation with pay on the first day of the following monthly pay period as follows:

37 months to 10 years	10 hours per month
121 months to 15 years	12 hours per month
181 months to 20 years	13 hours per month
241 months and over	14 hours per month

- 1. An employee who returns to State service after an absence of six (6) months or longer, caused by a permanent separation, shall receive a one-time vacation bonus on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.
- B. An employee who has eleven (11) or more working days of service in a monthly pay period shall receive vacation leave credit set forth in Item A above for that pay period, except that temporary or permanent separations for more than eleven (11) consecutive work days which fall into two (2) consecutive qualifying pay periods shall disqualify the second pay period.
- C. Employees working less than full-time accrue vacation in accordance with the existing CalHR rules and the chart in Section 8.1.
- D. If an employee does not use all of the vacation that the employee has accrued in a calendar year, the employee may carry over accrued vacation credits to the following calendar year to a maximum of 640 hours. A department head or

designee may permit an employee to carry over more than 640 hours of accrued vacation leave hours if an employee was unable to reduce accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented from taking vacation until December 31 because of sick leave; (5) was on jury duty; or (6) was prevented by the department head or designee from utilizing accrued vacation.

An employee shall be allowed to carry over more than 640 hours of accumulated vacation at the end of a calendar year if the employee has approved scheduled vacation which will reduce the employee's accumulation to less than 640 hours. Otherwise the department head or designee may order the employee to take vacation to reduce the number of carry over hours below 640.
- G. Vacation requests must be submitted in accordance with departmental policies on this subject. However, when two or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same vacation time and approval cannot be given to all employees requesting it, employees shall be granted their preferred vacation period in order of seniority (defined as total months of State service in the same manner as vacation is accumulated). When two or more employees have the same amount of State service, department seniority will be used to break the tie.
- H. Each department head or designee will respond in writing to vacation requests as quickly as possible but no later than fourteen (14) calendar days from receipt of the request.

In cases where an absence is in excess of two (2) consecutive working days, where a pattern of excessive or abusive sick leave usage is observed, or where the State reasonably believes that sick leave has been requested for reasons other than defined in this Section, the employee's supervisor may require substantiating evidence, including, but not limited to, a physician's certificate.
2. An employee will not be denied the right to use sick leave or be subject to any type of corrective or disciplinary action, or in any manner discriminated against for using or attempting to exercise his/her right to use sick leave based solely on the amount of use.

- G. This section is not subject to the grievance and arbitration article of this Contract.

### **9.9 Annual Leave Program**

- A. Employees may elect to enroll in the annual leave program to receive annual leave credit in lieu of vacation and sick leave credits. Employees enrolled in the annual leave program may elect to enroll in the vacation and sick leave program at any time except that once an employee elects to enroll in either the annual leave program or vacation and sick leave program, the employee may not elect to enroll in the other program until 24 months has elapsed from date of enrollment.
- B. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this agreement in accordance with the following schedule:

1 month to 3 years	11 hours per month
37 months to 10 years	14 hours per month
121 months to 15 years	16 hours per month
181 months to 20 years	17 hours per month
241 months and over	18 hours per month

Employees working less than full-time shall accrue annual leave credits in accordance with the applicable CalHR rules and the chart in Article 8.1.

A Permanent Intermittent (PI) employee will be eligible for annual leave credit with pay in accordance with the schedule above, on the first day of the qualifying monthly pay period following completion of each period of one hundred sixty (160) hours of paid employment. Absences from State service resulting from a temporary or permanent separation for more than 11 consecutive days which fall into two consecutive qualifying pay periods shall disqualify the second pay period.

- D. Employees who work in multiple positions may participate in annual leave provided an election is made while employed in an eligible position subject to these provisions. Annual leave accrual for employees in multiple positions will be computed by combining all positions, as in vacation leave, provided the results do not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.
- E. If an employee does not use all of the annual leave that the employee has accrued in a calendar year, the employee may carry over accrued annual leave credits to the following calendar year to a maximum of 640 hours. A department head or designee may permit an employee to carry over more than 640 hours of accrued hours because the employee:

1. was required to work as a result of fire, flood, or other extensive emergency;

2. was assigned work of a priority or critical nature over an extended period of time;
  3. was absent on full salary for compensable injury;
  4. was prevented from taking annual leave until December 31 because of sick leave; or

- H. Annual leave request must be submitted in accordance with departmental policies on this subject. However, when two or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same annual leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred annual leave period in order of State seniority.
- I. Each department head or designee will respond in writing to vacation requests as quickly as possible but no later than fourteen (14) calendar days from receipt of the request.
- J. Annual leave that is used for purposes of sick leave is subject to the requirements set forth in section 9.2 Sick Leave, of this Agreement.
- K. The enhanced non-industrial disability insurance (ENDI) in Section 9.10 applies only to those in the annual leave program described above in this Section.
- L. Employees who are currently subject to vacation and sick leave provisions may elect to enroll in the annual leave program at any time after 24 months has elapsed from date of last enrollment. The effective date of the election shall be the first day of the pay period in which the election is received by the appointing power. Once enrolled in annual leave, an employee shall become entitled to an enhanced NDI benefit (50 percent of gross salary). At the time of an NDI claim, an employee may elect either the 50% NDI benefit rate or a supplementation level of 75% or 100% at gross pay. Once a claim for NDI has been filed and the employee has determined the rate of supplementation, the supplemental rate shall be maintained throughout the disability period.

## 9.10 Enhanced Non-Industrial Disability Insurance- Annual Leave

- A. This ENDI provision is only applicable to employees participating in the annual leave program referenced in Section 9.9 above.
- B. Enhanced Non-Industrial Disability Insurance (ENDI) is a program for State employees who become disabled due to nonwork-related disabilities as defined by Section 2626 of the Unemployment Insurance Code.
- C. For periods of disability commencing on or after January 1, 1989, eligible employees shall receive ENDI payments at 50% of their gross salary, payable monthly for a period not exceeding 26 weeks for any one disability benefit period. Employees are not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base, and worked for at least ten (10) consecutive workdays. Paid leave shall not be used to cover the ten (10) workdays. Disability payments may be supplemented with annual leave, sick leave or partial payment to provide for up to 100% income replacement. At the time of an ENDI claim, an employee may elect either the 50% ENDI benefit rate or a supplementation level of 75% or 100% at gross pay. Once a claim for ENDI has been filed and the employee has determined the rate of supplementation, the supplemental rate shall be maintained throughout the disability period.
- D. The employee shall serve a seven (7) consecutive calendar day waiting period before ENDI payments commence for each disability. Accrued paid leave or CTO leave balances may be used to cover this waiting period. The waiting period may be waived commencing with the first full day of confinement in a hospital, nursing home, or emergency clinic for at least one full day. A full day is defined as a 24-hour period starting at midnight.
- E. If the employee elects to use annual leave or sick leave credits prior to receiving ENDI payments, he or she is not required to exhaust the accrued leave balance.
- F. Following the start of ENDI payments an employee may at any time switch from ENDI to sick leave or annual leave but may not return to ENDI until that leave is exhausted.
- G. In accordance with the State's "return to work" policy, an employee who is eligible to receive ENDI benefits and who is medically certified as unable to return to their full- time work during the period of his or her disability, may upon the discretion of his or her appointing power, work those hours (in hour increments) which when combined with the ENDI benefit will not exceed 100% of their regular "full pay". This does not qualify the employee for a new disability period under C. of this article. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of

evaluating the capacity of the employee to perform the work of his or her position.

- H. If an employee refuses to return to work in a position offered by the employer under the State's Injured State Worker Assistance Program, ENDI benefits will be terminated effective the date of the offer.
- I. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the 18 monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for ENDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.
- J. All other applicable California Department of Human Resources laws and regulations not superseded by these provisions will remain in effect.
- K. Upon approval of ENDI benefits, the State may issue an employee a salary advance if the employee so requests.
- L. All appeals of an employee's denial of ENDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.
- M. Employees who become covered in the annual leave program while on an ENDI claim shall continue to receive ENDI pay at the old rate for the duration of the claim.
- N. Employees who do not elect the annual leave program will receive NDI benefits in accordance with the current program in Section 9.17 and such benefits are limited to \$135.00 per week.

Each State agency shall determine the method of and necessity for travel. Transportation will be accomplished and reimbursed considering both direct expense as well as the employee's time. Provided the mode of transportation selected does not conflict with the needs of the agency, the employee may use a more expensive form of transportation and be reimbursed at the amount required for a less expensive mode of travel. Both modes of transportation will be shown on the travel claim.

## **10.6 Salary Definitions**

As used in this article, terms are defined as follows:

- A. "Salary range" is the range of rates between, and including, the minimum and maximum rate currently authorized for the class;
- B. "Step" for employees compensated on a monthly basis is a 5 percent differential above or below a salary rate rounded to the nearest dollar and for employees compensated on a daily or hourly basis is a 5 percent differential above or below a rate rounded to the nearest dollar and cents amount. One step higher is

calculated by multiplying the rate by 1.05 (e.g., \$2,300 x 1.05= \$2,415). One step lower is calculated by dividing the rate by 1.05 (e.g., \$2,415 /1.05= \$2,300);

- C. "Rate" for employees compensated on a monthly basis is any one of the full dollar amounts found within the salary range and for employees compensated on a daily or hourly basis is any one of the dollar and cents amounts found within the salary range.
- D. "Range differential" is the difference between the maximum rate of two salary ranges;
- E. "Substantially the same salary range" is a salary range with the maximum salary rate less than two steps higher than or the same as the maximum salary rate of another salary range.
- F. "Higher salary range" is a salary range with the maximum salary rate at least two steps higher than the maximum salary rate of another salary range;
- G. "Lower salary range" is a salary range with the maximum salary rate any amount less than the maximum salary rate of another salary range.
- H. Unless otherwise provided, the lowest salary range currently authorized for the class is used to make salary comparisons between classes except for deep classes. Any rate falling within the salary range for a class may be used to accomplish appropriate step differentials in movement between classes and salary ranges.

- D. Any award granted under the provisions of this section shall be limited to five thousand dollars (\$5,000) unless a larger award is approved by concurrent resolution of the Legislature. - B. When a department determines an underpayment has been made to an employee, it shall notify the employee of the underpayment in writing with an explanation.

Rates at new lots owned, wholly leased or administered by the State will be set at a level comparable to existing state lots. The parties agree that such increases will be uniformly applied to all represented employees in a given parking lot. ## 2. Enrollment Options

## **ARTICLE 20 - CONTRACTING OUT**

### **20.1 Contracting Out**

- A. The purpose of this section is to guarantee that the State does not incur unnecessary, additional costs by contracting out work appropriately performed at less expense to the State by Unit 16 employees, consistent with the terms of this section. In achieving this purpose the parties do not intend this section to expand the State's ability to contract out for personal services. The parties agree that this section shall not be interpreted or applied in a manner which results in a disruption of services provided by state departments.
- B. Except in extremely unusual or urgent, time-limited circumstances, or under other circumstances where contracting out is recognized or required by law, Federal mandate, or court decisions/orders, the State must make every effort to hire, utilize and retain Unit 16 employees before resorting to the use of private contractors. Contracting may also occur for reasons other than cost savings as recognized or required by law, Federal mandate, or court decisions/orders.
- C. Departments will provide UAPD's designated representative with copies of Request for Proposals (RFPs) and Invitations for Bid (IFBs) for personal services contracts when released for publication if they call for services found in Unit 16 class specifications.

To the extent that a department is preparing to enter into a contract (or amend a contract) and it does not require an RFP or IFB, the department shall provide UAPD's designated representative with a copy of the Standard Form 215 (or its departmental equivalent) if and when the Form 215 is completed (but no less than five (5) calendar days thereafter) provided the contract is or will be for services found in Unit 16 class specifications. If the Form 215 contains confidential or proprietary information, it shall be redacted as discussed below in Subsection D.

The purpose of this subsection (C) is to provide UAPD with notice and an opportunity to present alternatives which mitigate or avoid the need for contracting out, while still satisfying the needs of the State to provide services. Directors (or their designee) shall therefore meet with UAPD for this purpose, if requested by UAPD.

- D. Upon request of the UAPD each department shall submit copies of any or all personal services contracts that call for services found in Unit 16 class specifications. For each contract, departments shall provide additional documents establishing the number, scope, duration, justification, total costs of all such contracts, and payment of all overhead and administrative costs paid through each contract, provided it does not disclose confidential or proprietary information, in which case it shall be redacted as discussed below. The requested contract and related information shall be provided no more than 21 calendar days following the request by the UAPD, or longer if mutually agreed. This shall include contracts that may otherwise be protected from public disclosure, if they provide for services found in Unit 16 class specifications. However, the State may redact those portions of protected contract(s) that are proprietary, necessary to protect the competitive nature of the bid process, and that which does not pertain to the costing of personnel services found in Unit 16 classes. The goal shall be to protect against disclosure of information which should remain confidential, while at the same time providing the UAPD with sufficient information to determine whether unnecessary, additional costs are being incurred by contracting out work found in Unit 16 class specifications. Costing information provided to the UAPD for protected contracts shall include total personnel costs for personnel services found in Unit 16 classifications plus any overhead charges paid to the contractor for these services, provided such disclosure does not breach confidentiality requirements or include proprietary information.

The UAPD will continue to meet with departments as necessary to examine personal services contracts which have been let, as outlined in Section 20.2.

- E. If savings are generated by the termination of personal service contracts under this provision, it is the intent of the State to implement agreements of the UAPD and the department for utilization of said savings. Such agreements may include:

1. Contributing toward position reductions which would otherwise be accomplished by the layoff, salary reduction or displacement of Unit 16 employees;
  2. Enabling the employment of Unit 16 employees for services currently performed by contractors;
  3. Enabling of the conversion to Unit 16 civil service employment of qualified contract employees who wish to become State employees, as otherwise permitted by law, regulations, provisions of the contracts and resolutions by the State Personnel Board;
  4. Providing timely, adequate and necessary recruitment efforts. These efforts may include focused recruitment, publicizing in professional journals, use of the media, job fairs, expedited hiring, expedited background checks, spot testing authorized by the California Department of Human Resources, State employee registries, and recruitment and retention incentives;
  5. Such other purposes as may be mutually agreed upon.
- F. Nothing in this section shall be interpreted or applied in such a manner as to interfere with the State or Federal court orders, the authority of the State or Federal courts or the authority of the special masters or receiver.

## **20.2 Contracting Out Committee (CoCo)**

- A. The State and UAPD share a mission to hire, recruit, and retain civil service employees. Financial responsibility is important with respect to unnecessary and expensive contract use which adversely affects UAPD members and California's tax payers. Thus, UAPD, the California Department of Human Resources (CalHR), the Department of Finance, and the Department of General Services agree to maintain a Contracting Out Committee (CoCo).
- B. The Contracting Out Committee shall consist of eight (8) standing members. UAPD shall select five (5) representatives and the State shall select four (4) senior level representatives, at least one from each of the aforementioned State Departments. The Co-chairs of CoCo shall be one (1) committee member from UAPD and one (1) senior representative from CalHR. Representatives on either side may be replaced or substituted with adequate notice. CoCo shall meet at least bimonthly or more often as agreed to by the committee. The Co-chairs shall finalize and distribute minutes to all committee members of the previous meeting and the upcoming agenda at least fourteen (14) days in advance of each meeting. Upon mutual agreement subject matter experts may be invited to attend the meetings and contribute to the discussions. Committee members and subject matter experts shall serve without loss of compensation, including preparatory time.

- C. The Contracting Out Committee will monitor and ensure that the Departments involved with BU-16 hiring and contracting out follow the requirements outlined in Section 20.1 of the UAPD MOU. Minutes of each meeting and an annual report shall be documented and made available upon request to interested parties, including but not limited to the UAPD President and Executive Director, the Governor's office and the Legislature.
- D. The Contracting Out Committee will study and make recommendations in a timely manner regarding which contracts may be cancelled or reduced by the State. CoCo will also develop a recruitment and retention report by February 1, 2021, which shall be submitted to the Director of the Department of Human Resources (CalHR), and legislative budget committees, and will explore the following:
1. A public and easily accessible state website where current, accurate and real time contracting out data may be viewed.
  2. "In House" Registry of BU-16 employees who would enjoy priority over outside contractors in performing additional work opportunities offered by the State.
  3. Sequential and/or cumulative term limits for individuals and other entities contracting with the state and a buffer time period between state employee status and contractor status.
  4. Steady reduction of contractor reimbursement to encourage their applications into vacant civil service positions.
  5. Improving the recruitment and retention of civil service employees.
  6. Improvement of transparency and stream lining the civil service hiring process.
- E. The CalHR officer will ensure that each Department provides the UAPD with the designated contact responsible for providing the UAPD with copies of Request for Proposals (RFPs), Invitations for Bid (IFBs) for personal services contracts, copies of the Standard Form 215 (or its departmental equivalent) and any or all personal services contracts that call for services found in the Bargaining Unit 6 class specifications.
- F. Any dispute pertaining to this section may be appealed to the third step of the grievance and arbitration procedure in this contract. The decision at the third step is final and binding on all parties.

## **ARTICLE 21 - STATE TELEHEALTH PROGRAMS**

- A. Tele-health involves the distribution of health-related services via telecommunication technologies which allows for patient/clinician contact and care. It includes, but is not limited to, telemedicine and telepsychiatry.
- B. The parties agree, upon request by the union, to establish a departmental joint labor-management committee to explore issues relating to telehealth. The committee shall be established according to the following guidelines:
  - 1. The committee shall consist of four (4) Union and four (4) departmental representatives, not including the facilitator for the department and union.
  - 2. Committee recommendations, if any, shall be advisory in nature.
  - 3. Committee meetings shall not be considered contract negotiations and shall not be considered a substitute for the grievance procedure.
  - 4. Employees who participate on the committee will suffer no loss in compensation for attending the meeting.

The State of California and UAPD agree to modify Article 9.2 (Sick Leave) of the existing agreement to include the changes to Labor Code section 233 which incorporated the expansion of sick leave use to include those reasons specified in the Healthy Workplaces, Healthy Families Act of 2014 (AB 1522) mentioned in Labor Code section 246.5 as well as the extended definition of family member mentioned in Labor Code section 245.5.

Labor Code section 246.5 adds language to include the use of sick leave for an employee who is a victim of domestic violence, sexual assault, or stalking.

Labor Code section 245.5 defines family member as any of the following: a child, meaning a biological, adopted, or foster child, stepchild, legal ward, or a child to whom the employee stands in loco parentis. This definition of a child is applicable regardless of age or dependency status. A biological, adoptive, or foster parent, stepparent, or legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child. As well as a spouse, registered domestic partner, grandparent, grandchild, and a sibling.

### **Side Letter 4 – Contract Reopener – Elimination of Pay Decreases**

The BU16 MOU, including economic terms of the agreement, such as the amount necessary for the payment of compensation and employee benefits that were in effect prior to the 2020-21 fiscal year, shall continue in full effect, subject to the reductions agreed to in this side letter. Notwithstanding any other provisions of law, the MOU subject to this side letter, represents the only entitlement to payment of compensation and employee benefits.
- B. The determination of sufficient funding relative to restoration of pay subject to this side letter shall be at the sole discretion of the Director of the Department of Finance if either of the following circumstances occur:
  - 1. If the Director of the Department of Finance, as a result of appropriate federal legislation providing additional funding to the state to address the impacts of the COVID-19 Recessions, elects to restore, at their sole discretion, some or all of the pay that has been reduced.
  - 2. If the Director of the Department of Finance, as a result of state revenue becoming sufficient to fully fund existing statutory and constitutional obligations, existing fiscal policy, and the cost of providing the pay that has been reduced as a result of the COVID-19 Recession, elects to restore, at their sole discretion, some or all of the pay that has been reduced.
- C. In the event the Director of the Department of Finance elects to restore, at their sole discretion, some or all of the pay that has been reduced by this side letter

the State shall provide notice to the Union and shall meet and confer with the Union upon request regarding the impact of that determination.

- D. In the event that neither of the circumstances above occur and/or the Director of the Department of Finance does determine, at their sole discretion, that projected state revenues at the 2022-23 May Revision to the Governor's Budget continues to be insufficient to fully fund existing statutory and constitutional obligations, existing fiscal policy, and the costs of providing the aforementioned pay increases to all eligible employees, the July 1, 2022, 2.5% General Salary Increase (GSI) provided for in Article 10.4 Salaries, shall become effective on July 1, 2023. ## **Attachment B - Goldsmith Letter**

June 23, 1983

Cesar Bacal  
Union of American Physicians & Dentists  
1730 Franklin Street, Suite 200  
Oakland, CA 94612

Dear Mr. Bacal:

In response to your recent inquiry with respect to the manner in which professional negligence actions involving medical personnel are handled by this office, set forth below is a summary of our basic policies as they relate to physician input.

At the outset, it should be noted that in the vast majority of cases, the individual physician is a party (along with the State) in the lawsuit. In all such cases, the physician has been personally served with the complaint and has expressly requested legal representation by the Office of the Attorney General. We thus have an attorney-client relationship with the physician defendant.

With respect to settlements of such cases, it is our policy to consult with and fully apprise the individual physician defendant of both the terms of any proposed settlement and the ramifications to the physician, e.g., reporting requirements to BMQA, etc. This is, of course done prior to the culmination of any settlement.

It should also be emphasized, moreover, that pursuant to the terms of the California Tort Claims Act, the State is required to pay any damage award for medical malpractice and thus, the individual physician has no personal liability exposure (absent a prayer for punitive damages).

With the respect to those cases in which there is no individual physician named as a defendant, i.e., where the State itself is the only defendant, there is substantially less direct consultation with the physicians who may have been involved in the incident. In these latter type of cases, while physicians may be witnesses in the proceeding, they are not parties and therefore are not involved in the settlement procedure per se.

We do, of course, fully consult with our State agency clients, including their supervisory medical staff, in all such cases and we expect that they receive direct input from their staff physicians in evaluating settlement offers.

Please feel free to contact this office if additional information is requested.

Very truly yours,

MARVIN GOLDSMITH Assistant Attorney General

## **Attachment B-1 - Clarification of Goldsmith Letter**

Subject: Clarification of Goldsmith letter of June 23, 1983 regarding defense of physician defendants where punitive damages are part of the prayer for relief.

1. When a doctor is named as a party to a lawsuit; as a result of any action or omission occurring in the performance of their duties and within the scope of employment, the doctor may request legal representation by the 1. Office of Attorney General. In all such cases where representation takes place the Attorney General has an attorney-client relationship with the doctor defendant.
2. If there is a prayer for punitive damages, the doctor involved has the option of hiring private counsel to defend said doctor on the punitive damage aspect of the case. In the event that the doctor does not wish to hire private counsel, the Attorney General will defend said doctor on all issues involved in the case including the prayer for punitive damages. As regards representation, the Office of the Attorney General will vigorously conduct such representation toward defeating all claim including the prayer for punitive damages.
3. Under the California's Tort Liability Law, the State of California is obligated to pay any judgment against said doctors for compensatory or general damages but is not required to indemnify them for any award of punitive damages. According to Section 3294 of the Civil Code, in order to be awarded punitive damages, the plaintiff must prove that the doctor was guilty of either express or implied malice or oppression.
4. In the event of a judgment for punitive damages, a doctor defendant has the right to file a claim with the State Board of Control seeking indemnification from the State of California for any such liability.
5. Prior to the culmination of any settlement, the attorney representing the individual physician defendant will consult with and freely apprise the doctor defendant of both the terms of any proposed settlement and ramification to the doctor.
6. This attachment is not grievable or arbitrable.
